Caernarvon Will Have Outdoor Rinks Again This Year

We are pleased to announce that we will be having both sheets of ice again this winter! We welcome Jesse, our new Ice Maker and Rink Attendant, and are looking forward to another great year of skating. Now that the weather is colder, Jesse is working hard to make the ice and will announce on our Facebook page when the rink is open. Remember that Caernarvon has lots of skates to loan to skaters of all ages and foot sizes, so be sure to come out even if you don't own skates.

Happy Holidays from your Neighbourhood and Alley Renewal Project Teams!

As part of the Building Great Neighbourhoods program, the City of Edmonton replaces aging roadways and alleys, street lights and sidewalks in maturing neighbourhoods. Within Castle Downs, the neighbourhoods currently undergoing renewal include Baturyn, Beaumaris, Dunluce and Lorelei.

Thank you to everyone who has participated in engagement opportunities and provided feedback, and for your continued support and cooperation through the planning and construction of these projects.

- + In **Lorelei**, we have now substantially completed construction
- + In **Beaumaris**, we are heading into our final year of construction
- + In **Baturyn**, we are preparing for construction to begin summer 2023
- + In **Dunluce**, we are just beginning the Neighbourhood Renewal planning process

Please reach out to your Neighbourhood Renewal Project Team if you have any questions. Stay tuned in the new year for details on upcoming engagement opportunities.

For more information, including project updates, past engagement summaries, What We Heard reports, upcoming opportunities to provide feedback or to sign up for news and information for your neighbourhood, visit edmonton.ca/NeighbourhoodRenewal and select the northwest region where you can then select your specific neighbourhood.

Best wishes from all of us to all of you.

Have a safe and happy holiday season!

Working together to make the most out of your neighbourhood!

Edmonton Catholic Schools Trustee Sandra Palazzo Ward 72

Edmonton Catholic Schools (ECSD) is committed to gathering valuable stakeholder input and hosted an engagement session on October 24th inviting our Community of School Councils (COSC) with an opportunity to share their feedback. We thank our School Councils and Principals for participating in this engagement session to assist the Board and Division in establishing priorities for the new Division Plan for Continuous Growth 2023-2026.

The Alberta School Boards Association (ASBA) held its Fall General Meeting in Edmonton on November 20-22. It was an opportunity for our Board to gather with members from school boards across the province to pass resolutions pertaining to education and to attend sessions that provided excellent professional growth opportunities. The program included an event where our Board was able to meet with our local MLAs to dialogue about issues and priorities facing Alberta's school boards.

There is also so much happening in regard to innovation which is essential to the continuing success of our Division. ECSD has a rich history and a proven track record in developing innovative ways to support the work of schools in creating new and exciting opportunities for students.

The Capstone Personalized Education Portfolio Program (C-PEPP) is one such opportunity available to ECSD students which creates an alternate pathway for admission to Canadian universities. ECSD is one of three pilot school divisions in Canada. This pilot allows students to pursue a more personalized and authentic learning journey that enables them to have a well-rounded portfolio of experiences and gain them access to postsecondary opportunities at the University of Alberta.

The Centre for Global Education (CGE) also develops and delivers virtual collaborative learning projects that engage and empower K-12 students as global citizens. CGE is now housed within ECSD's central office, and in collaboration with our Learning Services Department, is providing support to schools across Alberta through a wide array of curricular and special interest topics and opportunities. We are so proud of

the outstanding and innovative leadership being shown by staff within our Division.

We all have an important role to play in the success of our students and I wish to thank our staff, administration, parents and students for ensuring this year continues to be exciting and rewarding.

As we begin preparing for the Christmas season, I would like to take the opportunity to wish you all a Merry Christmas and Happy New Year! I look forward to the opportunity to engage with our school communities as I am committed to making decisions that are in the best interests of our students and ensuring the well-being of our Division is at the forefront of all that we do!

We're here for you & your family.

Family Supports is a voluntary, early intervention program that provides support to families with children 7-18 years old to strengthen family functioning. Parents are supported to create a nurturing and safe family environment, build resiliency within themselves and their children, build new social connections, and learn about positive parenting and child development.

How can a worker help you and your family?

The Family Support program offers in-home support for families. All services offered as part of the Family Connect are completely free, including:

- Supportive counselling and goal setting
- Consultation and support to improve parent-child interactions
- In-home support
- Parent education
- Family interactive programming and activities
- Personal and family advocacy
- Information and referrals to additional resources
