Property Assessment Mail Out

Edmonton

More than 400,000 assessment notices have been mailed to Edmonton property owners.

The assessed value of your property represents its market value as of **July 1, 2022** and is used to determine your share of provincial education and municipal property taxes. Provincial education taxes are collected by the City of Edmonton on behalf of the Government of Alberta to fund public education, while municipal taxes are used to fund City programs and services such as transit, road maintenance, fire rescue services, recreation centres, libraries and more.

When you receive your property assessment notice:

- + **Review** the details on your assessment notice. Accurate information ensures you only pay your fair share of property taxes — no more, no less.
- + **Check** what makes up your property's assessment value and **compare** it with similar properties in your neighbourhood using the tools on edmonton.ca/assessment.
- + **Contact** the City, if you have any questions. Call 311 for one-on-one support. Our staff can answer most assessment-related questions with no formal complaint fees required.

More online tools are available at myproperty.edmonton.ca, including the assessment and tax history of your property and the ability to sign up for electronic notices. Use the individual code on your paper notice to register for your MyProperty account.

For more information, call 311 or visit edmonton.ca/assessment.

Programs and services to help you quit smoking

Every year, more than 4,000 Albertans die because of tobacco use, while tens of thousands more Albertans have serious tobacco-related illnesses that greatly affect their quality of life.

Commercial tobacco use (such as cigarettes, e-cigarettes, cigars and chewing tobacco) is the leading preventable cause of disease, disability and premature death in Alberta, and increases the risk of heart disease, lung cancer, oral can-

cers, chronic lung disease, diabetes and other illnesses. Quitting tobacco is one of the best ways to improve health and well-being. It may take several attempts to quit, so it's important to not give up.

AHS has programs and services to help Albertans quit:

- The AlbertaQuits Helpline, 1-866-710-QUIT (7848) provides one-to-one telephone counselling.

Safe Crossings Program

The Safe Crossings Program is expanding to further the City's commitment to Vision Zero by making Edmonton's streets safer and more livable. Approximately 400 crossings are planned for safety upgrades by the end of 2026, with 100 of these projects confirmed for 2023.

Crossing locations are carefully considered for upgrade based on community needs and feedback, equitable safety, future growth and existing infrastructure.

Each crossing location is unique, as is the upgrade type determined to increase safety and livability. Upgrades include:

Raised crosswalks to reduce vehicle speeds and enable drivers to be more aware of people crossing the street.

Adaptable curb extensions to shorten crossing distances and encourage safe speeds.

Two stage crossings provide pedestrians a space to rest as they cross the street and shorten crossing distances.

Rapid flashing beacons, pedestrian signals, overhead amber flashers and full traffic signals, all of which increase visibility and encourage slower speeds.

Explore the Safe Crossings Dashboard to see completed and planned projects, including if there is one near you. Learn more about the many other programs making Edmonton's streets safer and more livable at edmonton.ca/VisionZero.

After-School Science Clubs

We conduct hands-on science clubs on a wide variety of science topics for kids ages 5-12. Through our fun, inquiry-based format, children become intrigued with fundamental concepts such as Newton's laws of motion, Bernoulli principle, bubbling potions, magnetism, chemical reactions and more.

We can work together to run evening or weekend after school programs for 6 to 8 weeks.
