Did you review your assessment notice?

Edmonton

Help make sure you pay only your fair
share of property taxes.

Property assessment notices were mailed to all Edmonton property owners in
January. The assessed value of your property represents its market value as
of July 1, 2023 and is used to determine your share of provincial education and
municipal property taxes. Provincial education taxes are collected by the City of
Edmonton on behalf of the Government of Alberta to fund public education, while
municipal taxes are used to fund City programs and services such as transit, road
maintenance, fire rescue services, recreation centres, libraries and more.

When you receive your property assessment notice:

- + **Review** the details on your assessment notice. Accurate information
ensures you only pay your fair share of property taxes – no more, no less.
- + **Check** what makes up your property's assessment value and **compare** it
with similar properties in your neighbourhood using the tools on
edmonton.ca/assessment.
- + **Contact** the City, if you have any questions. Call 311 for one-on-one support.
Our staff can answer most assessment-related questions with no formal
complaint fees required.

More online tools are available at myproperty.edmonton.ca, including the
assessment and tax history of your property and the ability to sign up for
electronic notices. Use the individual code on your paper notice to register for
your MyProperty account.

For more information, call 311 or visit edmonton.ca/assessment.
