Baturyn Ice Rinks

BCL is running 3 rinks in 2 neighbourhoods this winter! With the snow on the ground and the temperatures low, our rink volunteers have started our boarded rink and we hope the snowbank rinks will be able to be started shortly as well. One snowbank rink will be located on the basketball courts area in Baturyn Park, and NEW THIS YEAR, one will be located in Chambery/Elsinore Park. The Chambery/Elsinore Park rink will be a 150ft by 50 ft snowbank rink located in the south west corner of the park. As with all City park amenities, access to the rink is limited to the permitted park hours of 6 am to 11pm only. There will be periods when the rink will be closed for maintenance and clearing, dependent on the weather conditions and usage.

Please remember we are volunteers that

deliver these ice rink amenities, so please be patient if issues arise. However, if you have any questions or concerns please contact the rink manager or president at rinkmanager@baturyn.ca or president@baturyn.ca

To support our ice rink program, we'd love your participation in our very first 50/50 draw. Funds will go directly into our rink program for hoses, equipment, and maintenance, so if you or your loved ones use our rinks, please consider supporting this initiative. Tickets can be purchased online at www.rafflebox.ca/raffle/baturyncl or by emailing rinkmanager@baturyn.ca

We are also still looking for rink time volunteer supervisors so that the boarded rink can be opened and accessible to the community. Please email if this is something you'd be interested in helping with.

Message from the Castle Downs Recreation Society

We hope everyone is staying safe!

Municipal Election:

A Thank-you to Ms. Bev Esslinger for the many years of service to the citizens and the City of Edmonton; on Council and before that on the Edmonton Public School Board. She supported women and children and advocated for their growth and safety. Bev has championed Edmonton; building national and international relationships. Mr. Dziadyk. Thank-you! Canadian Forces Trail (97th St.) is visual tribute the Military past and present, in North Edmonton. And Top of the City party was a great community builder!

Castle Downs is split into two wards. As a result of the last municipal election we are now served by two new Councillors. We look forward to building relationships with Karen Principe and Erin Rutherford.

Castle Downs Variety Show: A new

committee is forming to revitalize the Variety show. Having been "Dark" for two years the volunteers are taking this opportunity to draw out more volunteers from the area. Writers, actors, musicians, stage set, costumes and especially the audience members have been missing out on the Annual FUNd raiser. If you would like to be involved please contact the Variety Show Castledowns.ca

CDRS International: The dedicated groups of volunteers remove, refurbish, pack and rebuild playgrounds outside of Canada. With the current level of health and travel disruptions as well shipping delays, the CDRS Int. group will be cancelling their planned build in Belize.

Castle News: This will be the last issue of the Castle News delivered to the Community of Lorelei/Beaumaris. The League has decided not to continue this service.

Edmonton Catholic Schools Trustee Sandra Palazzo

Despite COVID-19, great things continued to happen in Edmonton Catholic Schools. We opened a Catholic online school to provide opportunities for our students to engage in high quality faith based online learning. We opened Divine Mercy Catholic Elementary School. We had our first meeting with our Student Voice Team of the 2021-2022 school year where a group of 2 student representatives from each high school provide the Division with important insights on various topics where student perspective is influential. We create innovative ways to celebrate the gifts and talents of our students through spectacular virtual productions such as the second annual Art of Advent Calendar that can be accessed on www.ecsd.net and our livestreamed 31st Annual Celebration of the Arts 2021. ECS D Graduation 2021 was another true celebration of the tenacity and adaptability of our youth!

On November 24th, The Edmonton Catholic School Division (ECS D) was also pleased to present the Annual Education Results Report (AERR) for 2020-2021. In the process of shifting from accountability to the assurance model, students, parents, staff and community members were engaged in the planning process to establish the key priorities outlined in the Division Plan for Continuous Growth 2020- 2023 (Year 1). The AERR speaks to the exceptional work of our Division towards these priorities and we are proud to celebrate these achievements.

Our administrators, teachers, staff, and families of our schools have demonstrated an unwavering dedication over the past year. Everyone involved in the delivery of Catholic education participated positively in the over-

all success of the Division out of a spirit of collaboration, by caring about the well-being of all in their communities, and with a commitment to making a difference in the lives of our students. ECS D being named as a Top 70 Alberta Employer for a sixth consecutive year is a testament to our remarkable Division.

At the October 2021 Public meeting, the Board of Trustees received the annual Student Learning Report, which highlights the Division's response to the identified areas of need in addressing student growth and achievement. Members of the Student Learning Team shared the baseline assessment data that has been gathered this fall in the following areas: Literacy and Mathematics, the kindergarten screening program and the new First Nations M&S Inuit Literacy Project and the Mental Health Division Survey. The entire report is available on the Board of Trustees' page on www.ecsd.net.

The Board of Trustees is committed to providing a variety of supports for families and was honoured to host a virtual engagement session for parents on November 22. The session focused on parents as partners with Edmonton Catholic Schools in supporting the mental health of our children and youth exploring the concept of resiliency, forming trusted relationships, and nurturing positive mental health.

As we begin preparing for the Christmas season, I wish to take the opportunity to wish you all a Merry Christmas and Happy New Year! I look forward to the opportunity to engage with our school communities as I am committed to making decisions that are in the best interests of our students and ensuring the well-being of our Division is at the forefront of all that we do!

Honouring loss during the holidays

Holidays are generally a happy time of year, but for some who have suffered loss, they can also be very difficult. Grieving a significant loss takes time. While grieving may make you want to isolate yourself from others and hold it all in, it's important that you find ways to express your grief. Use whatever mode of expression works for you. Talking, writing, creating art or music, or being physically active are all ways of expressing grief.

Here are some ideas that may help you:

- Gratitude: Being thankful magnifies positive emotions and helps us appreciate the value in something or someone. Create a journal filled with things you are thankful to have in your life.

- Do something for yourself. Take time for yourself this season by doing something you enjoy. Go for a walk, or try a new hobby such as yoga or meditation.

- Connect. Join a community group, reconnect with friends, or volunteer.

- Keep a regular sleep, meal, and exercise schedule and limit alcohol. Taking care of yourself will help you deal with grief and stressful situations during the holidays.

You can also call the Mental Health Helpline 1-877-303-2642, 24 hours a day, seven days a week, for free, confidential help, or visit www.ahs.ca/helpintoughtimes.
