## Help us make Baturyn better

Baturyn has been chosen for **Neighbourhood Renewal**, with construction anticipated to start in **2023**. Baturyn will see the replacement of its roads and alleys, street lights, sidewalks and curbs and gutters as part of the City of Edmonton's Building Great Neighbourhoods program. We will also explore other opportunities to improve how people walk, bike, drive and roll in the neighbourhood, as well as potential improvements to parks and open spaces.

Thank you to those of you who shared feedback with us during the *Exploring Options and Tradeoffs* phase. Your input will help us to:

- + Confirm the Vision and Guiding Principles for Baturyn
- + **REFINE** the proposed design options for:
  - + Parks and Placemaking
  - + Movement: Walking, Biking, Rolling, Driving

Over the summer months, our project team will be reviewing and considering your feedback, along with technical requirements and City programs and policies, to develop a draft design for Baturyn. The Design Options package, What We Heard reports and the first two chapters of the Urban Design Analysis for Baturyn can be viewed through the project webpage at [edmonton.ca/BuildingBaturyn](http://edmonton.ca/BuildingBaturyn).

During the next phase of engagement, we will present the Draft Design for Baturyn and ask for your input to help us **REFINE** the design. Watch the project webpage and your mailboxes in **fall 2021** for details and project updates.

For information including project updates, upcoming opportunities to provide feedback or to sign up for news and information, visit [edmonton.ca/BuildingBaturyn](http://edmonton.ca/BuildingBaturyn)

## Danger of putting out cigarettes in potted plants

Edmonton Fire Rescue Services has partnered with several locally owned and operated garden centres to encourage people to dispose of cigarettes safely instead of in potted plants. Into the summer months, Fire Prevention Officers will attend these centres to spread the word about smoking and fire safety.

"There is a misconception that plant pots and soil can be used to extinguish cigarettes. This is not true. Potting soil contains large amounts of combustible material that can allow embers to smoulder before igniting into flames," said Dennis Friedel, Acting Fire Marshal, Edmonton Fire Rescue Services. "Smoking materials and potting soil just don't go together."

Edmontonians who smoke are urged to only dispose of cigarettes in deep, non-combustible ashtrays. Plant pots containing potting soil, peat moss, or other types of soil should never be used as an alternative.

The majority of smoking material fires in Edmonton residential areas are caused by the disposal of cigarettes in potting soil on balconies,

decks, and entryways. Between 2018 and 2020, the city had a total of 205 fires related to smoking materials resulting in \$33.6 million in fire damage, 31 injuries and five deaths.

"The foolproof method to fully extinguishing smoking materials is to use water," said Friedel. "Water should be kept nearby to wet cigarette butts and ashes to ensure embers are out before you discard into your non-combustible ashtray."

When smoking, discard your cigarettes properly:

- Use a deep, non-combustible ashtray.
- Fully extinguish cigarettes in water before disposing of them.
- Never discard cigarette butts directly into the garbage, out your car window, on the ground or in dry, grassy areas.

Local garden centres, The Root Seller, Mill Creek Nursery, and Kuhlmann's Greenhouse Garden Market, will display signage in their stores and in planter pots reminding customers to dispose of cigarettes properly.

## New beginnings and new opportunities in Ward 72

Edmonton Catholic Schools Trust-  
ee Sandra Palazzo

The snow is officially gone, and our children are once again playing outside as the days are getting longer and warmer. As we journey towards summer we remind ourselves to please slow down to keep children safe!

Edmonton Catholic Schools continues to provide our students with an excellent Catholic education, regardless of the difficult circumstances created by the pandemic. The month of May has seen us pivot to online learning and in-person learning. When our schools were last pivoted to an online environment, there were families who did not have adequate access to technology to support their children. The United Way once again stepped up and arranged for the donation of 128 Chromebooks to those families, who will now keep that technology to support their children's learning. Last spring, the United Way donated 640 Chromebooks to our families. We are indeed grateful for their support of our students!

The month of May was a time of celebration as our ECSD Learning Services Department shared the long held tradition of hosting our annual Celebration of the Arts virtually. This year's Gala was once again a spectacular showcase of our students' artistic gifts and talents. We are grateful to all involved in this remarkable production including our incredible staff and talented students!

Alberta has one of the best education systems in the world and we are proud to have celebrated Catholic Education Week in Alberta from May 10 to 14 as it is a time when we focus on the gifts found in an education grounded in our Catholic faith. We are blessed to live in a province where we have the choice as parents to choose publicly funded Catholic education.

The Board is pleased to announce the names of our two newest schools: Joan Carr Catholic Elementary/Junior High School in Keswick and Father Michael McCaffery Catholic High School in Heritage Valley. We received an overwhelming response for these namesakes from the community highlighting and celebrating the difference they made to Catholic education, Edmonton and beyond!

With the Board having approved the Division Plan for Continuous Growth, our schools are now creating their School Plans for Continuous Growth. As part of the move to Assurance, the school plans will now be posted on school websites by May 31. This will allow schools to start their strategic work as the new school year begins to formalize their plans.

The Edmonton Catholic School

Division is required to submit its 2021-22 operating budget to Alberta Education by May 31, 2021. As stewards of public funds, the Board is required to approve a budget which aligns with the vision of excellence in Catholic education that has been created in consultation with our stakeholders. Beginning with a facilitated strategic planning session with the Board to discern Division priorities, Principals, Administration, Division leaders, as well as our Community of School Councils and our Student Voice membership provided rich insight and invaluable feedback to determine the board priorities: Growing in Faith, Student Success, An Excellent Place to Work and Learn, and Building Our Future Together. We have worked with our stakeholders to ensure that these public funds are directed towards providing the greatest impact for student success, and the most optimal learning environments for our teachers and staff.

Alberta Education implemented a new Assurance Framework and funding model in September 2020. This model represents a significant change to how school divisions are funded and how they are expected to report student success and achievement to Alberta Education. We are pleased that through advocacy efforts, Alberta Education has agreed to hold harmless the 2020-21 school year due to the uncertainty surrounding enrollment numbers that was brought on by the pandemic.

It is unfortunate that due to the pandemic our 2021 Grade 12 graduation ceremonies for all ECSD High Schools will not be taking place in their typical largescale fashion. We wish to recognize, congratulate, and celebrate the Class of 2021 and wish them all the best as they journey this next chapter in their lives!

We would like to applaud all our staff who have provided exceptional service in the face of the pivots that have occurred over the past many weeks. It has been an unbelievably challenging year for school staff who have fearlessly filled their role as frontline workers. The skillful way in which they have managed uncertainty and change is truly amazing!

In closing, I want to take the opportunity to share my appreciation for the continued outstanding dedication of our staff, students, and families for being incredible stewards and ambassadors of our Division during these extraordinary times. I welcome the opportunity to engage with our school communities as I am committed to making decisions that are in the best interests of our students and ensuring the well-being of our Division is at the forefront of all that we do!

## Cautious Approach to Reopening

Like everyone else, Caernarvon Community League is looking forward to moments which include more time socializing and enjoying many of the fun activities that have been prohibited to us for far too long. But if the last year has taught us anything, it's that we need to be prepared for things to change quickly. That's why we will not be immediately rushing into hall bookings and event planning – we have to work through some processes before we are comfortable doing so. Please also remember that your Board members are volunteers who have lived the same reality and been subject to all the same restrictions you have. We are all a little nervous to be out there “peopling” again. So if you're looking to book a venue this summer, please be patient with us on the phone, and check our Facebook

and webpage [www.castledowns.ca](http://www.castledowns.ca) to see when we're accepting bookings again. In the meantime, please help everyone get back to normal and book your vaccine appointment. As I write this, Castle Downs has a mid-to-low vaccination rate compared to other Edmonton communities. If you or a neighbor have questions about vaccine safety, don't know how or don't have the means to book your vaccine appointment, or can't get through to 811, there are organizations that can help. Action for Healthy Communities at 780-944-4687 can help with booking and transportation. Do you know someone who needs assistance because of a language barrier? Encourage them to HealthHub for Newcomers at 1-833-906-4357; they speak over 20 languages. Stay safe everyone!

## Unnamed Park Re-development

Construction on the playground at the Unnamed Park (115 Street and 148 Avenue) should begin shortly, with a target completion of fall 2021. Thank you to everyone who contacted us to propose a new name for the Park. The Board reviewed all submissions and will be forwarding an application to name the site “Johnstone

Family Park” to commemorate the family upon whose homestead the new community of Caernarvon was built.

## Forests planted by Edmontonians for Edmontonians

Root for Trees is safely returning in 2021, inviting volunteers of all ages to take part in expanding the beauty of Edmonton's urban forest by planting 45,000 trees and shrubs each year.

"The City of Edmonton is proud to have adapted volunteer programs, such as Root for Trees, to be able to operate safely during the pandemic," said Lydia Fialka, Community Greening Coordinator. "As our planting teams are following all COVID-19 safety precautions we encourage everyone to sign up and learn about Edmonton's urban forest."

Root for Trees aims to increase tree planting in Edmonton through continued partnerships with corporations, residents and community groups. Volunteers will not only participate through planting, but will learn more about naturalization and the benefits to our city.

Public registration for this year's Root for Trees program is open and residents of all ages are invited to participate. Bookings can be made through a submission form at [edmonton.ca/rootfortrees](http://edmonton.ca/rootfortrees).

To ensure greater resiliency and sustainability in a changing climate, Edmonton continues to expand and preserve our extensive urban forest with a goal of planting two million trees in the coming years.

## Important Notice To Property Owners In The City Of Edmonton

### 2021 Property Tax Notices Mailed Today

#### Your property tax notice includes:

- + Municipal taxes, which help pay for civic services like police, fire rescue, public transit and road maintenance.
- + Education taxes, which go directly to the Government of Alberta to fund education.

If you do not receive your notice by June 7, contact the City of Edmonton by phone at 311 or view your notice online at [MyProperty.edmonton.ca](http://MyProperty.edmonton.ca).

#### Payment Options

- + Property tax bills can be paid at most financial institutions, by telephone/online banking, and by mail. In-person payments at the Edmonton Service Centre will not be available at this time due to the COVID-19 pandemic.
- + The City also offers a monthly payment plan; the normal administration fee charged to join the monthly plan has been waived for the rest of 2021. To spread 2021 tax payments over the rest of the year, you must sign up by June 30; otherwise, you will receive a five per cent penalty on any unpaid taxes on July 1. Please contact 311 or sign up at [edmonton.ca/taxes](http://edmonton.ca/taxes).

Property taxes are due in full by June 30, 2021 if you are not enrolled in the Monthly Payment Plan. A five per cent penalty on any outstanding amounts will be charged to your account on July 1, with further penalties later in the year. Property taxes cannot be appealed.
