Baturyn Neighbourhood Renewal ADVISE **Community Feedback on Final Design** Online until April 30, 2022 Baturyn has been chosen for Neighbourhood Renewal, with construction beginning in 2023. Baturyn will see the replacement of its aging roadways and alleys, street lights and sidewalks* as part of the City of Edmonton's Building Great Neighbourhoods program for mature neighbourhoods. Public Engagement is currently underway on the final design until April 30, 2022. You are invited to ADVISE on how the final design reflects the Vision and Guiding Principles for the Baturyn Neighbourhood Renewal, as well as share any new information that should be considered. The final design includes plans for walking, rolling, biking, driving and playing in Baturyn, such as: + Upgraded residential streets with measures to slow traffic at some locations + Improved walking, rolling and biking connections + Enhancements to neighbourhood parks and open spaces Stay informed and engaged by visiting us online at edmonton.ca/BuildingBaturyn to: + Review the final design + Attend one of the two online sessions with the project team (pre-registration required) + Provide feedback in the online survey, open until April 30, 2022 + Ask questions of the project team + Sign up for project updates No Online Access? Please call 311 to connect with a project team member to arrange for paper copies to be delivered to you in April. Sidewalk reconstruction is subject to the local improvement SHARE YOUR VOICE process: edmonton.ca/localimprovement

Spring Clean Up

The Hall and yard clean-up is May 14th. You can contact president@baturyn.ca to get your clean up kit and they will also be available at the park opening on April 30th.

Baturyn Playground Grand Opening

Although completed just before winter hit, we have not been able to celebrate the new Baturyn Park Playground.

Mark your calendars for April 30th for the

official grand opening from 12:00-3:00pm. With luck, this may include the neighborhood renewal engagement/project plan for the park as well!

What's Happening?

Edmonton Catholic Schools Trustee Sandra Palazzo

Edmonton Catholic School Division (ECSD) is wholly united in the spirit of prayer, fasting, and almsgiving during Lent. As we continue our Lenten journey in the upcoming weeks, we continue to pray for peace in Ukraine. This heartrending situation touches ECSD deeply. Many of our schools are undertaking meaningful Lenten projects that demonstrate their support for Ukraine. The response of our schools and sites to this humanitarian crisis has been humbling. Students and staff alike are engaging in awareness campaigns, fundraising, collecting items, and writing letters. Thank you to all who have stepped forward to serve in any way that they can.

I was privileged to attend the Alberta Government's Throne Speech on February 22, 2022, and the 2022 Budget Announcement on February 24, 2022 to hear the priorities of government firsthand. We were extremely pleased with Government's announcement with construction funding to build the high school in north Castledowns/ Dunluce and of a new west K-9 school in Lewis Farms. Both these schools are much needed to ease significant enrolment pressures in north and west Edmonton. Schools in these areas are overcrowded and students will benefit from vibrant new learning spaces to accommodate these growing communities. These two schools were the top priorities on the Capital Plan we submitted to the Government of Alberta last year. Our 3-year Capital Plan, which is updated and approved annually to indicate what our greatest infrastructure needs are can be viewed here.

On March 14th, school council executive members were invited to meet virtually with their Ward Trustee representative to share the Board's Advocacy Plan and the themes that the Board will be advocating for on behalf of the Division. Parents were encouraged to provide feedback on the themes presented and provide additional themes for the Board's consideration. Parents and guardians also provided their feedback on the best ways for them to share their voice with the Division, and how we can improve parent and guardian par-

ticipation in our surveys and school engagement sessions. The Board values input received through the Community of School Councils' meetings and is looking forward to receiving the full report with the feedback and recommendations.

We are also delighted to share our ECSD Assurance Survey that demonstrates high stakeholder satisfaction as well as the extraordinary commitment and dedication of our administration, staff, parents, families and students. It is through the collaborative efforts of all that we continue to make a difference in our pursuit of excellence for all

We believe that all students deserve to have safe and fun outdoor play environments. We are proud to be a leading school board in outdoor play implementation and to have nearly reached our goal to have all Division playgrounds accessible and inclusive.

As we prepare our hearts for the Tridium we are reminded a bright light is shining in the resurrection of our Lord, Jesus Christ. It is in this light that we rest our hope that God is always with us. I wish you and your family a blessed and Happy Easter!

I welcome the opportunity to engage with our school communities as I am committed to making decisions that are in the best interests of our Division and ensuring the well-being of our students is at the forefront of all that we do!

Summer Soccer Season Starting Soon! Please contact Rob Lewis (Soccer Director) if interested at carlislesoccerdirector@gmail.com

Waste collection schedule begins March 29

With warmer weather around the corner, rial from your yard or garden. residents are encouraged to visit edmonton. ca/waste to confirm their waste collection schedule. Starting March 29, food scraps carts will be collected once every week. Garbage carts will continue to be collected every two weeks and recycling will be collected every week. The spring/summer collection schedule runs until November 1.

Through weekly collection, the spring/summer collection schedule helps manage odours in the food scraps cart during warmer months and accommodates for higher volumes of yard waste. Seasonal adjustments to collection schedules also help control costs and maintain stable rates. Every household with cart collection will also receive two yard waste collection days in the spring (between April 25 and June 20) and two in the fall (between October 3 and November 25). Yard waste collection will occur on Mondays, with specific dates included on your waste collection schedule.

Yard waste should be set out in see-through plastic or double-ply paper bags. There is no limit to how much you can set out. Yard waste includes leaves, twigs, branches, fallen fruit, dead plants, grass and other plant mate-

By setting out yard waste for seasonal yard waste collection, Edmontonians are helping produce valuable compost that will be available for free at the Ambleside and Kennedale Eco Stations from spring to fall. To learn more about City of Edmonton Compost, visit edmonton.ca/ecostations.

TO YOU*

*Some conditions and restrictions apply.

Alternatively, you can manage excess grass clippings by leaving them on your lawn. Doing so prevents them from becoming waste in the first place and adds nutrients to your soil. "Going Bagless" or grasscycling means simply removing the bag from your mower and leaving the clippings on the lawn while mowing your grass. Find more information at edmonton.ca/gobagless.

You can view your yard waste collection dates and collection schedule by:

Downloading the WasteWise app on the Google Play or Apple App Store

Pop-Up Community Gardens are back

The City of Edmonton is bringing back the Pop-Up Community Garden program for a third year. Pop-Up Community Gardens started in 2020 to help Edmontonians access fresh food and mitigate the impacts of COVID-19 on food security and wellbeing. Pop-Up Community Gardens are raised planters on City-owned or community league licensed land designed for community food production and to be a safe and healthy recreational activity.=

Community gardens promote healthy and active lifestyles, and safer, more vibrant and connected communities. The initiative also increases recreational opportunities and contributes to community building and beautification while helping Edmontonians access fresh and locally grown, fresh food. Applications open for Clean Energy Improvement

Edmonton residents interested in upgrading the energy efficiency of their homes can now apply for low-cost financing under the City's new Clean Energy Improvement Program (CEIP).

The two-year pilot program provides access to low-cost financing to help Edmontonians make a minimum of three energy efficiency and renewable energy upgrades to residential homes. A second pilot for commercial properties will roll out later in 2022. The process involves the City providing \$11.25 million in financing and rebates to address most upfront costs. The financing is then repaid by the property owners through the owners' property taxes.

The City received a \$9.69 million loan from

the Federation of Canadian Municipalities (FCM) Green Municipal Fund to develop and launch the program.

Alberta Municipalities will administer the pilot. The CEIP aims to advance efforts to improve environmental resiliency as part of Edmonton's Community Energy Transition Strategy and Action Plan. The residential program is forecasted to support an estimate of 80 residential projects over the two-year pilot. The commercial retrofit pilot is anticipated to support approximately 20 projects when launched in 2022.

Residential Pre-qualification forms will be available beginning today and can be found, along with additional program information, at myceip.ca/edmonton/.

LCDS believes in the safety of all children and families, and follows all protocols put in place by AHS.

Due to gathering restrictions, classroom viewing and meet the staff can be made by appointment only. Please contact the school office at 780-473-7216 or email at lcds@telus.net. For further information check our website at www.lcdskids.com
