Baturyn Neighbourhood Renewal Thank you for your input!

We want to express our sincere thank you for your continued participation in Baturyn Neighbourhood Renewal. We appreciate everyone who completed the online surveys, attended virtual events or reached out to the project team during the **Community Feedback on Final Design** phase in April. Your contributions are valued and important. During this phase of public engagement, we had:

- + 40 participants provide input through the online survey, including over 300 comments
- + 580 unique visits to edmonton.ca/BuildingBaturyn
- + 200 views of the final design package

Reflecting what we have learned since September 2020, we have looked for opportunities to add lighting, improve the safety of the school drop-off area and enhance the parks and neighbourhood commercial areas. We are working with Edmonton Transit to redesign the roadway at the 109 Street entrance. Over the summer and fall, we will be considering the new feedback provided and completing the construction drawings.

Next Steps

Decorative Street Lights Update

Standard street lights will be replaced as part of the Neighbourhood Renewal process. Your neighbourhood has submitted a choice for *powder-coated black* to be considered as a Local Improvement. Expression of Interest forms will be mailed out to all property owners and need to be returned to the city by September 1st. Visit edmonton.ca/DecorativeStreetlights for information.

Construction is scheduled in Baturyn over three years, starting in spring 2023

Construction consists of removal and replacement of sidewalks, curbs and reconstruction and paving of the road. A **Preparing for Construction** event will be held in early 2023. Prior to the start of construction, bulletins will be distributed to all residents. The City's Delivery Project Manager will be your point of contact. Their contact information and progress updates on the project, including the final design package and the What We Decided Report, can be found at edmonton.ca/BuildingBaturyn.

What's Happening?

Edmonton Catholic Schools Trustee Sandra Palazzo

Edmonton Catholic School Division (ECSD) has so much to celebrate this time of year. We recently honoured staff members with 10-40 years of dedicated service at the Long Service Awards. The Board of Trustees was delighted to offer its appreciation and congratulations to ECSD employees on achieving this significant landmark in their career and applaud them for their exceptional service.

We were proud to attend the Annual Chief Superintendent's Award of Excellence on May 11th, in person once again for the first time since 2019. It was an incredible opportunity to celebrate the extraordinary achievements of our amazing student leaders.

On May 18th the ECSD Learning Services Department livestreamed its 32nd annual Celebration of the Arts. There were 22 different performances from all areas of the arts with over 750 students participating from 100 Voices through Grade 12. This year, performances and artworks reflected hope and solidarity for the people of Ukraine. This event which celebrates the remarkable artistic talents of our students can be viewed using the following link <https://ecsdcoa.net/>

The Board of Trustees was proud to host its annual Retirement Gala on May 19th and was honoured to recognize and celebrate the outstanding contributions of our staff.

Education is about students. Edmonton Catholic Schools has a long history of providing opportunities for student engagement to inform the work of the Division. The Board of Trustees had the privilege to meet with High School Student representatives over the past school year to hear the voice of their peers on important topics.

The Class of 2022 is gearing up to celebrate. Grade 12 is an exciting and pivotal year for our students, which culminates with a celebration of scholastic achievement - graduation! The Board is excited to be able

to recognize this significant milestone alongside this year's graduates, their families and friends during their graduation events.

Edmonton Catholic Schools has a strong history of fostering positive learning experiences for all students. Learning Services has undertaken the extensive work required to begin implementation of the new curriculum in September.

Teacher Working Groups have been created to create pacing guides as a way to ensure guidance in covering learner outcomes and cross curricular integrations of concepts, knowledge, and skills. They have also begun professional learning sessions for teachers and administrators to provide an overview of the curriculum and advise on how to best organize for learning in the fall.

As we continue to focus on student success, I welcome the opportunity to engage with our school communities as I am committed to making decisions that are in the best interests of our Division and ensuring the well-being of our students is at the forefront of all that we do! Sponsored By Sandra Palazzo

With Summer here the market is still holding strong

Are you thinking of buying or selling this year and not sure if it's the right choice for you? I'd be happy to help you through the process of deciding.
