## Spring has arrived and exciting developments in Castle Downs!

The progress on of the new Catholic High School, Blessed Carlo Acutis, is amazing and will be ready for students in the fall of 2026. Also, Catholic School board will be building a new Kto9 south of 167 Ave and west of 127 St

Edmonton Public School board has also announced the development of its new high school, to be located east of the Castle Downs Recreation Centre. As well, the Edmonton Islamic Academy continues to grow along 127 St.

In the next few months, the Edmonton Arts council and the community will be brightening up the Castle Downs Park with addition of a mural on the drab brick

building at the Park!!! Thanks to Coda Girvan for sharing his talent!!

In April we celebrate volunteers for contributing their time and talent to build our community. Thank-you one and all.

Thanks also to organizers and coaches, for giving your time to our youth teams!!!

Earlier this year 4 long serving volunteers received the King Charles III Coronation Medal for community volunteerism. Congratulations Pat Zelenak, Keoma McMurren, Loretta Wonitoy and Lynnette Thompson.

Canada Day and the Castle Downs Variety show have been popular gatherings. Unfortunately, they are not sustainable

with out fresh volunteers. Hopefully, in the future, a group would like to take one of these projects on. The Castle Downs Recreation Society is willing to share some experience to assist.

City council has decided to discontinue

the Front Yards In Bloom Program as part of their budget cuts! But please continue to paint, mow, plant and beautify your front yards! It is a real pleasure to walk, bike and drive our neighbourhoods and admire your efforts!

## You can't judge a course by its title

**ELLA offers up a wealth of choice for mature learners**  
by Kathy Kerr

Friends rolled their eyes when I told them I planned to take a course in Canadian constitutional controversies.

They didn't see the attraction of sitting in a classroom at the University of Alberta for three weeks to learn about dusty political history. But that course, offered last spring by the Edmonton Lifelong Learners Association (ELLA), was fascinating and engaging enough to keep a classroom full of mature students in their seats, continuing the discussion past the end of class. ELLA courses, non-credit courses for senior adults offered in the spring at U or A and remotely in the winter, cover such a breadth and depth of topics that there's bound to be gems for everyone.

Fellow constitutional controversies student Barb Maheu says she was surprised by the behind-the-scenes politics of the 1984 Meech Lake Accord, and enjoyed the sessions on indigenous rights and the constitutional court case centred on the Morgentaler abortion clinics.

The course touched on hot button issues, including Alberta sovereignty, climate policy and Quebec language laws. The Charter cases and controversies of the last 40 years have plenty of resonance for mature students.

"We have so many experiences we can draw on (as seniors). It really felt personal," says Maheu.

Professor Richard Mailey and his guest constitutional experts from the U of A faculty often found themselves answering informed and unexpected questions. Mailey, the director of U of A's Centre for Constitutional Studies, praises the engagement of ELLA students.

"I love the challenge as a 30-something Irish guy coming into a room with a lot of people who have lived in Canada a long time, have all this experience of different sectors, had different jobs in different disciplines. They all bring different expertise to the room.

"I feel I have to be on my toes...just because of the wealth of knowledge in the room."

He says it's tough to prepare for an ELLA class because he never knows where student questions will take the discussion.

Mailey has taught two sessions of Canadian constitutional studies. He's back this spring with a course that will bring in context from the constitutional law in other countries and how Canada compares.

Every year brings a different selection of courses for ELLA members to choose from. I've taken courses including forensic anthropology, paleontology, bird watching, tai chi, choir, terrorism and modern farming techniques.

This spring ELLA is offering more than 30 classes, from painting to improvisation, astronomy to origins of the Cold War, the Inca Empire to yoga. Classes run from April 28 to May 16 on the University of Alberta campus. The full course list will be available on the ELLA website, [my-ella.com](http://my-ella.com), on March 24 and registration for the spring session begins April 2. ELLA also offers on-line courses in the winter.

### Calling high school students

Applications to become an Edmonton Fire Cadet now open

High school students looking to get first-hand

experience in a career in emergency services are invited to apply for Edmonton Fire Rescue Services' Fire Cadet pro-

gram.

This program provides unique coursework that allows students to develop leadership skills, become involved in the community and meet new, like-minded people.

Through a mix of in-class learning and hands-on experiences, students in grades 10 to 12 learn the importance of mental and physical wellness and teamwork, all while building employment skills and experiencing the day-to-day work of a firefighter.

Fire cadets can earn up to six high school credits for involvement in the two-semester, 10-month program, beginning in September.

Students are invited to apply by April 30. Those selected for an interview will be invited to participate in a physical fitness test.

Learn more about the Fire Cadet program, including how to apply, by visiting [edmonton.ca/FireCadets](http://edmonton.ca/FireCadets).

## King Charles III Coronation Medal

Congratulations to Dunluce Member Pat Zelenak!!!

Pat was recently awarded the King Charles III Coronation Medal, for his outstanding volunteer work! This medal recognizes individuals that have made a significant contribution to Canada or to a particular province, territory, region or community of Canada, or have made an outstanding achievement abroad that bring credit to Canada.

Pat was a past volunteer President of Lorelei Beaumaris Community League in the 1980's, and continues to volunteer for the Castle Downs District Park committee located in the Dunluce Community League boundaries. Working with the City of Edmonton, he is the driving force behind all the playground apparatus at the Castle Downs District Park. If you or your family have ever enjoyed the spray park, playground, sat at a picnic table or used the washroom...you have Pat to thank for that!

When the old District Park was being replaced, Pat formed a small volunteer group to refurbish the old playground and bring it to those less fortunate in the Philippines. With educational and sports contributions from local businesses, communities and individuals, this group continues to bring joy

## MP Ziad Aboultaif with King Charles III Coronation Medal recipient Pat Zelenak

to others across the world. Projects completed have included Vietnam, Nicaragua and Cambodia. This group received recognition from both the Northern Alberta YMCA and the City of Edmonton for their volunteer efforts abroad.

Pat was a performing volunteer with the Wellington Variety Show and volunteer stage manager for the Castle Downs Variety Show, whose fundraising efforts were a big contribution to the Castle Downs District Park.

Dunluce Community League is proud to recognize volunteers that selflessly make a difference in the lives of others.

Congratulations Pat!

## Radical rezoning is ruining our city!

## PACE can fix it!

Edmonton City Council passed a blanket zoning by-law recently despite overwhelming opposition. They ignored the potential negative effects. The damage is being felt in every ward. The only solution is new leadership and a new Council!

PACE candidates are committed to respect for community voices and preservation of neighbourhood character.

## Building Faith, Community, and a Brighter Future

Trustee Laura Thibert, Trustee Alene Mutala, Board Chair Sandra Palazzo, Vice-chair Lisa Turchansky, Trustee Debbie Engel, Trustee Terry Harris

### Edmonton Catholic Schools Trustees reflect on Lent, new school investments, and strengthening Catholic education

As we journey toward Easter and the Resurrection of our Lord Jesus, the Board of Trustees is thankful for all the ways the Lenten season has deepened our faith and strengthened our community. Students and staff in our schools have embraced the call to serve by engaging in retreats, acts of service, and initiatives that embody the values of compassion and justice. We are amazed by how our schools have inspired and supported one another during this season of reflection and growth.

We are also pleased to share exciting news about school infrastructure. The Government of Alberta has announced Planning Funding for two new high schools and a K-9 replacement school, a significant step in addressing the growing needs of our Division. With enrolment exceeding 50,000 students and many high schools at or over capacity, these investments will help alleviate space shortages and enhance learning environments for our students. Pending approval in Budget 2025, these projects will add approximately 4,500 new and updated student spaces.

**New Catholic High School – Lewis Farms/Rosenthal (Grades 10-12)** This school will provide space for 1,800 students, helping to relieve overcrowding in West Edmonton high schools.

**New Catholic High School – The Meadows/Silver Berry (Grades 10-12)** A much-needed high school to accommodate rapid population growth in Southeast Edmonton.

**K-9 Replacement School – Oxford/Palisades** This new school will serve the community of Oxford and introduce the first Catholic junior high northwest of 132 Avenue in Edmonton.

These projects represent an important step forward in ensuring our students have access to modern, faith-based learning spaces that support their academic and spiritual development.

In March, the Board of Trustees was delighted to host a Community of School Councils (COSC) evening. This in-person event was a valuable opportunity for families to connect with Trustees, the Chief Superintendent,

and Division leaders, providing opportunities to engage in sessions on various aspects of student learning and encouraging meaningful dialogue between home and school. The COSC evening fostered a sense of community and collaboration, reinforcing our shared commitment to supporting the success and well-being of every

student.

As we continue through the school year, the Board of Trustees remains dedicated to advocating for quality Catholic education and supporting the needs of our students, staff, and families. Should you have any questions, please contact us at [boardoffice@ecsd.net](mailto:boardoffice@ecsd.net)
