Fire Pit Safety at Hudson Park

We're thrilled to see the Hudson Park fire pit being so well used this fall — it's wonderful to see families and friends gathering outdoors! As we head into winter, here are a few important reminders to help keep everyone safe:

- Douse the flames thoroughly with water
- Stir the ashes with a shovel
- Repeat until all embers are completely out

Even when there's snow on the ground, embers can continue to burn and become a fire hazard. Please take a few extra moments to ensure fires are fully out before you leave. Together, we can keep our park safe, welcoming, and warm for everyone.

Warm regards from your Cumberland Oxford Community League

SOMETHING TO DO,
SOMEWHERE TO GO,
SOMEONE TO TALK TO!

Why do men go to the Men's Shed?

- Too much free time on their hands.
- Lost social network when they retired.
- Want to meet new friends.
- Lost their partner and are lonely.
- New to Edmonton.
- Want to learn new skills or share theirs.
- Just want a day with the guys.
- Need to get out of the house.
- Want to be a part of something and give back to the community

What's a Men's Shed?

Internationally, Men's Sheds are a safe place to gather, drink coffee, play cards, tinker, work on community projects & make new friends.

It's a place to be a part of something.

A place to do that thing you've always wanted to do... or do nothing at all. Forget itineraries & agendas.

A Men's Shed is whatever the members want it to be.

IT'S SOMETHING TO DO, SOMEWHERE TO GO, SOMEONE TO TALK TO!

History of Men's Sheds

Originating in Australia, the Men's Shed movement has since grown to over 3000 worldwide, and the numbers keep growing!

While each local Shed is different, Men's Sheds all share the same aim of improving men's health and well-being by providing a space for social interaction, skill-sharing, and community engagement. It's an inclusive space that shares positive connections.

All men are welcome.

Connection. Camaraderie. Community.

Thursday's Game Night Shed

On Thursdays the Men's Shed meeting is held at Carlisle Community League Rink Shack (downstairs)
14240 - 117 street NW
Edmonton, AB T5X 4N6

We meet from 7:00 p.m. until 9:00 p.m. to drink coffee and chat about anything you can think of, while some of the guys play cards or dice games. Occasionally we'll have speakers come out to talk about things of interest to men.

Carlisle Community League, in partnership with Sage Seniors Association, is hosting a 55+ Coffee and Christmas craft session Tues Dec 2nd 10:30am -12pm and a Fraud prevention session Tues Jan 13th 10:30am-12pm at the Carlisle Community Hall 14240-117 St.

Come have a coffee, meet new people and learn about resources and upcoming community events. Hope to see you there!

Community Rink Update

Our community rink is currently open for ball hockey and general play. Ice will be made once we have a stretch of consistent below-zero temperatures. In the meantime, please remember rink etiquette:

Share the space so everyone feels welcome,

Be respectful of others, and

Clean up after yourself

Whether it's wheels or skates, this is a space for all to enjoy — let's keep it friendly and fun!

Thank You to Our Volunteers!

What a fantastic fall season it has been in our community! From our cozy, under the stars, Movie in the Park evening to the spooky excitement of the Haunted Forest, neighbours came together for fun, friendship, and a little frightful cheer.

A heartfelt thank-you goes out to all the volunteers who made these events possible — from those fulfilling sports commitments to those who simply stepped up out of community spirit. Whether setting up, decorating, guiding guests, handing out treats, or cleaning up afterward, every contribution mattered. We're grateful for

each and every one of you.

If you enjoyed the Haunted Forest, you can show your appreciation by donating to the Edmonton Food Bank (you may have received a brown bag in your mailbox recently) or by purchasing a community league membership at cocl.org. These memberships help fund events like these and keep our community vibrant year-round.

If you enjoyed these events and have ideas for more family-friendly community gatherings, we'd love to hear from you! Visit cocl.org to find out how you can get involved and help our community shine.

Teachers love lively participation in ELLA classes

By Kathy Kerr

Learners on both ends of the age spectrum have a lot in common, including enthusiastic curiosity, says writer and instructor Marty Chan.

The award-winning children's book author is teaching The ABCs of Writing for Kids for Edmonton Lifelong Learners Association's online session, one of 17 courses offered by the organization this winter.

Students at ELLA, which offers classes for those over 50, are ready with as many questions as the elementary school kids he usually

teaches, Chan says.

His class will cover basics, such as character and plot development, and topics such as crafting a voice which will grab the younger reader. Chan says students have a variety of motivations for taking the class, from telling stories to grandkids to publishing a book.

ELLA's winter session course topics range from art to politics, Zumba to psychiatry.

Registration for ELLA's Online Winter Session begins Dec. 2, with classes starting Jan. 12. For course information and more details, visit my-ella.com.

Dunluce Community League Day 2025

Wow! What a fantastic afternoon we had in Dunluce on September 20th. Over 400 people came out to play games, jump in the Bouncy Houses, and partake in a free lunch (thankyou El Safadi Mediterranean Market for your continuing support). The Caped Marvel and his balloons had the longest line of people waiting for their own balloon art,

all the Face Painters were kept busy for the entire three hours, and the animals from Alberta Petting Zoo (Finnegan Farms) were a crowd favourite. Thank you to all of the volunteers and community friends for helping us celebrate Dunluce! Can't wait until next year! Mark your calendars – September 19, 2026.
