ALDERGROVE COMMUNITY LEAGUE *President's Message*

Happy New Year to all residents of Aldergrove. I hope everyone had a great holiday season and is looking forward to 2015. The Community League Board is planning several events again for our community to enjoy. Events such as Family Day Fun, the Big Bin Event and Community Dance are just a couple of the events that are being planned.

Family Day is fast approaching. Again this year, our Community League will hold Family Day Fun activities. Let's make this a time when we put down all of our electronic devices, put on our coats and boots and come down to the hall and enjoy some great activities with our family and neighbours. We are planning several activities for you to enjoy and some munchies as well. I hope to see you there!

I would like to welcome Aaron Clark to our community league board in the position of Building and Grounds. Keeping the building and area from becoming run down is an important job. Aaron is a great addition to the Aldergrove Community League team!

I would also like to thank Nanci Cavill for volunteering as Casino Chairperson. The community league raises a large majority of the funds needed to support the community league through working casinos during two days every 2 years. While we do not have any official dates yet, we expect our next casino to be held sometime between September and November of 2015. We will be asking members of the community to volunteer for a shift during our casino dates. If you are interested in volunteering, please contact our Office Manager Connie Bowie at 780-481-1588 and she will check in with you once we get our casino dates to see if you're available. It's not too early to submit your name for a possible volunteer spot!

Please remember to check out our website for information as to what is happening in your community.

Wishing you all the best in 2015 and looking forward to seeing you on Family Day.

- **Kathy Katzenback** Aldergrove Community League President

President’s Message

The start of a New Year has brought both excitement and disappointment to the La Perle community.

After holding a community forum, we are pleased to support the Showtime Entertainment group who will be opening a 4000 person concert venue on 100 Ave around 185 St. Construction of this venue is expected to start late 2015 and be completed late 2016.

We are also excited to host Family Frolic on Feb 7. We will have lots of games and activities for the kids. Check our website for more information. We hope to see you out there!

Unfortunately, the Board has not been able to keep the rinks open this Winter due to staffing concerns. We will endeavour to have the rinks open for 2015/16; however, as the rinks continue to age, maintenance costs continue to escalate. It is also becoming more difficult to find an ice maker.

With new Board members strengthening our Board, look for fresh new ideas this year, in addition to our other exciting events.

The 2nd Annual Bottle Drive & Movie Night will be held March 21. Save your bottles for the Naturescape program. We will have afternoon games for the kids, a hotdog dinner, and will show Monsters U on the big screen.

The KDays Classic Car show will be held July 26. Check www.kdaysccars.com for more information.

Parking Concerns At La Perle Community League

- Are you aware that the Community League owns the parking lot?
- Are you aware that the Parking Lot is on PRIVATE PROPERTY?
- Are you aware that there are only 22 parking spots TWO of which are handicapped stalls?
- Are you aware that the La Perle Community Playschool is part of the Community League?
- Are you aware that our front walkway is not a parking spot?
- Are you aware that it is a \$250.00 fine for illegally parked vehicles in a stall designated for people with disabilities?
- Are you aware that you are not to park on the bend to the entrance of the parking lot?
- Are you aware that you should not park on the adjacent grassed areas?
- Are you aware that you can park on the street when the parking lot is full?
- Are you aware that you were blessed with the wonderful gift of legs?
- Are you aware of just how lazy some people are?

We hear lots of excuses:
~ I was only running in for a minute...
~ The parking lot was full, where else am I supposed to park...
~ I didn’t see the handicapped sign...
~ It was raining...
~ I have a baby...
~ It’s cold outside...
~ I’m late...
~ I’m just helping out at the school...
Laziness is NOT a disability, it’s an EXCUSE!
Please think about it BEFORE you take advantage of it!
~ Now you are AWARE ~

Thank you for supporting YOUR community!

Are you a fair-weather scooper?

We all know we should pick up our dog’s poop, but it’s very easy to forget a bag or look the other way especially when no one else is around.

Don’t be that kind of dog owner. Make a point of scooping your dog’s poop every single time they go on public property. Carry a few bags with you so you’re always prepared to pick up after your dog. It’s also important to regularly clean up pet waste on your own property.

Neglecting to pick up after your dog could mean that someone else picks it up ... on their shoes. Far more seriously, it could expose people and other pets to bacteria, viruses and parasites in your pet’s waste. You could also end up with a \$100 fine.

There’s no denying that scooping up poop is an unpleasant job, but it’s a responsibility that comes with owning your dog and a small price to pay for the joys of owning a furry friend.
