President's Message

Our big bin event, Community Day dance and fireworks were a huge success this year! Thank you to everyone in the community who came out to share in the fun. Thank you to Lewis Estate Subway for providing a large portion of the subs for our event. The fireworks (Uncle Johns Fireworks) exceeded all expectations. DJ Robby Suter had people up on the dance floor and community member Joe Nykoluk donated O'Canada gear for door prizes and gave out glow sticks to the kids. A heartfelt thank you to all of the volunteers who worked so tirelessly to make the event such a big hit!

Our children are back in school and the school zone speed limits are in force. Please help to keep our children safe by slowing down.

Our annual General Meeting is being held on **October 20th at 7 pm**. We are hoping to have some guests from the City and the City of Edmonton police department to address some of the concerns in our community. In addition, we will have elections of the members of the Executive. Please plan to attend our meeting and participate in the planning for the future of our community.

Our community is looking for input as to what programs you would like the community league to offer. Perhaps a seniors program such as games night for a friendly game of cards. Maybe a book club to meet one night a month. If you have any ideas, please attend our annual general meeting and let us know or contact our office manager, Connie Bowie.

I would like thank the members of the executive for their efforts over the last 12 months. Your willingness to help your community is greatly appreciated. A special thank you to Connie Bowie for all her hard work in making sure the community league operations run smoothly, and going the extra mile.

Looking forward to seeing everyone at our general meeting on October 20. Have a great fall.

- Kathy Katzenback Aldergrove Community League President

**PLEASE VOLUNTEER.

FUTURE OF LA PERLE ICE RINKS

Please note that the ice rinks will not open for the 2015-16 winter season. The rinks have been difficult to staff over the past few years and with unpredictable weather, staffing and much needed repairs the Community League Board has decided not to open the ice rinks. Your red skate tags are valid at any other Community Rink within the City of Edmonton. Your feedback on the future of our ice rinks is important to the Community League Board. Please answer the following few questions to provide us input.

- | | | |
|---|-----|----|
| 1. Has your family used the ice rinks in the last 3 years? | yes | no |
| How many times per season ? _____ | | |
| 2. Do you see your family using the ice rinks in the future? | yes | no |
| 3. Do you think the Community League should put money into fixing the rinks for opening in the 2016-17 winter season? | yes | no |
| 4. Do you think both rinks should open? | yes | no |
| 5. Do you think only one rink should open? | yes | no |

President's Message

The 2015 Community League Day celebration was another success. Thanks to those of you who spent the day with us. We had many great activities including Weinerama. The big bins, Japanese drummers, a jumpy castle, face painting, the Edmonton Police and Edmonton Fire Rescue, all capped off by another amazing display of fireworks. Thank you to all our volunteers! Without you, this event could not happen! Plans are currently underway for our 2016 celebration on September 17.

In an attempt to provide programs for a broader base of our community, we will be hosting a monthly dance. The first dance will be hosted on November 21st at the hall from 9pm to 1am. We invite adults 35+ to attend this licensed event. Come meet your neighbours and party the night away. Please see the poster printed separately in this newsletter. The next event will be a Christmas dance on December 19th.

As winter will be quickly upon us, we encourage our community to get engaged and help those neighbors who have mobility concerns and cannot easily clear snow from their own driveways. Also, we remind members that the City of Edmonton will be issuing periodic parking bans throughout the winter for snow removal. Failure to remove your vehicles from residential streets during these bans may result in a fine and having your car towed.

A reminder that members at this year's Town Hall meeting (held in April) voted to keep the rinks closed for 2015/16. The decision was based on a shortage of volunteers to help make ice and supervise skaters, as well as a cost reduction measure as our community has been faced with many unanticipated expenses this year including cleanup from a hot water tank failure/flood.

Please follow us on Facebook for updates on all community activities.

All of us on the executive wish you a safe and Happy Thanksgiving and Halloween!

A Message from Karen Leibovici, Liberal Candidate, Edmonton West

Karen's Commitment to the Community

Karen Leibovici is active in her community, her city and her province. She and her husband chose Edmonton West to raise her family for over 35 years. Karen served two terms as a Member of the Alberta Legislative Assembly (MLA) representing Edmonton Meadowlark. While MLA, she held the positions of labour critic, health critic, intergovernmental affairs critic and caucus whip.

She was elected to City Council in 2001 where she served until 2013. Karen has served as Chair or Vice Chair of the Community Services, Executive and Transportation and Public Works Committees and the Edmonton Police Commission. She was also the President of the Federation of Canadian Municipalities.

It's time Edmonton and Edmonton West were no longer ignored.

Our infrastructure is crumbling, while Edmonton West is growing. Now is the time to invest in infrastructure:

- Our growing community needs the west end extension of the LRT's Valley Line;
- Edmonton West needs federal funding to build the Lewis Farms Recreation Centre;
- We need to build more affordable housing and seniors' residences; and,
- Support initiatives that result in real jobs and develop the skills that employers need to grow our economy.

A Strong Voice for Change in Ottawa

Edmonton West residents also need a strong voice for change in Ottawa. One focused on serving the needs of the entire community. With our caring community, middle class strength and desire to succeed, we can create a fairer society. The Liberal plan will bring back fairness by:

- Offering families a wider range of benefits;
- Redrafting immigration and refugee laws;
- Giving working parents more flexibility;
- Respecting our veterans; and,
- Building fairness into the tax structure to support all Canadians.

Change that Works!

Like you, Karen knows this election is about Real Change that grows our economy, invests in our future and creates opportunity for all Canadians.
