25th Kites Over Callingwood

This year CLCL's 25th Kites Over Callingwood Festival will be an extended event on Saturday, September 2. We will begin with a free pancake breakfast from 10 am to 11:30 am (while supplies last). This will be followed by the Kites Festival from noon to 5 pm. At the event we hope to have some new activities for the family to experience and be involved in plus we will have kite flying demonstrations several times throughout the event. There will be a short break as we get ready to have our Movie In the Park. The expected start time is 8:30 pm and once the movie is finished we will top off the evening with a fireworks display.

As always we are looking for volunteers to help us with the event. We are looking for volunteers to help with different aspects of the event as listed below. Volunteers will receive a T-shirt and a free meal! If you would like to assist us in making this a successful family event, please email us at callingwoodlymburn@hotmail.com.

Volunteers Needed!

Volunteer opportunities for planning the event (June - August):

- * donation solicitation
- * help plan and organize activities and entertainment

Volunteer opportunities at the event on Saturday, September 2:

- * Setup, 8 - 10 am
- * Cook pancakes and cleanup, 9am - 12pm
- * Drive the Kite Stunt/Demo Flying performer to/from hotel to festival (around noon and 5pm)
- * Supervise, 12 - 2:30pm or 2:30 - 5pm
- * Judge kites, 4 - 5pm
- * Cleanup and takedown after kites, 5 - 7pm
- * Cleanup after movie & fireworks

Bicycle Safety

* Adapted from the City of Edmonton "Cycling Laws and Safety" webpage.

Here are some reminders about the rules for bicycling in Edmonton. Let's all help keep our community safe for cyclists and others sharing the road!

Cyclists MUST HAVE the following equipment based on provincial and municipal regulations:

- Helmet, if under the age of 18. This includes children in trailers. Adults are encouraged to wear a helmet.
- Bell or horn
- Brake
- White headlamp, red tail lamp and red rear reflector, when cycling at night

Only bicycles with wheels less than 50 cm (children's bikes) are permitted on sidewalks unless signage says otherwise. So:

- People riding bikes have the right to be on the road. If you are driving a motor vehicle, please watch out for cyclists!

- If you are an adult cyclist with the skills to handle a bike in traffic, legally you should be cycling on the road. The City of Edmonton's "Cycling on Sidewalks" bulletin says that cycling on sidewalks is unsafe because they are full of obstacles (pedestrians, strollers, benches, sign posts etc) and because a high percentage of car-bike collisions happen at intersections when the cyclist is coming off the sidewalk.

Cyclists on special shared-use sidewalks should give right-of-way to pedestrians, give audible warning of your approach, and be careful when re-entering roadways.

Cyclists have the same rights and responsibilities as motor vehicle drivers and must obey all rules of the road. In Edmonton, cyclists do not need a license, but they can be ticketed for breaking traffic laws.

WHY 30 AT JUNIOR HIGH SCHOOLS?

As of September 5, 2017, school zones are in effect around elementary and junior high schools throughout Edmonton. Motorists are required to slow down to 30 km/h between 8 a.m. and 4:30 p.m. (08:00 – 16:30) on school days where school zone signs are posted.

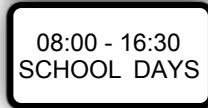

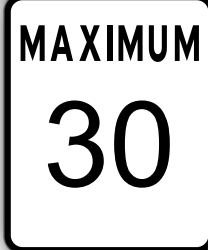

WHY IS IT IMPORTANT TO SLOW DOWN?

The lower speed limit protects our most vulnerable road users: our children.

Callingwood- Lymburn Community Playschool

At our playschool, our kids live, love, laugh and learn!

As of May 28, we still have afternoon spots available in our 3 & 4 year old playschool program for 2017/2018!

For more information, please visit our website <http://callingwoodlymburnplayschool.com>. For questions or to register your child, please contact Monique Hampson at info@callingwoodlymburnplayschool.com.

The Callingwood-Lymburn Community Playschool is a parent co-operative program offered by the Callingwood-Lymburn Community League. We are located within Lymburn Elementary School at 18710 – 72nd Avenue.

Our school has adopted the Learn Thru Play philosophy, believing that helping children to use their imagination fosters wonderful daily opportunities for learning. The purpose of the playschool is to provide enriching pre-school experiences for children from the ages of 3 to 5 years old.

Children who are turning 3 between September and October 31 can participate in our 3 year old program! The child must be potty trained, and must attend with their parent/guardian until the child turns 3 years of age.

Edmonton 311 App

The City of Edmonton has provided an app for smartphones.

With the 311 app Edmonton residents are able to report: potholes, damaged sidewalks, damaged trees, litter and graffiti.

This user-friendly app lets you upload photos of the structure or property you are concerned with, as well as add an exact location with its GPS map.

An officer will investigate your complaint within 4 business days.

Green Shack at Lymburn Park

The City of Edmonton's Green Shack Summer Program will be running at Lymburn Park in the mornings from July 4 to August 24 (10:30am-1:30pm, Monday-Friday).

This FREE program is for children ages 6 - 12 years old (children under 6 are welcome but must be supervised by a parent or guardian).

You'll find a list of upcoming activities posted on the side of the Green Shack each week.

Visit the City of Edmonton's website for more details about the program.

Welcome to another issue of CLCL President Message:

It's so nice to see all the CLCL families out on the soccer pitches and baseball diamonds. While the players enjoy running the bases or chasing soccer balls (or butterflies in some cases) and re-connecting with friends and teammates, parents also re-connect and catch up on news as they stand on the sidelines. CLCL has one of the most successful soccer programs in the entire west end and a lot of the credit goes to our NEW Soccer Director, Kevin Kraglund! Though new to the position, his hard work has kept the program alive, with the retirement of Vic Brown.

This past membership year, Jessica Rochlitz has revived our playgroup program on Tuesday mornings. If you have young children, 6 and under, come join her. It's not just playtime for them; Jessica has fun crafts for the children to do too! Playgroup will hold its last session on Tuesday June 13. It will break for the summer and restart some time in September. A big thanks to Jessica for her hard work!

We've got some upcoming events so.... Save these Dates

CLCL Big Bin Event

CLCL will be holding our 2nd annual Big Bin Event for our members on Sunday, August 20th from 9 am to 3 pm. A valid membership must be shown to use the bins and can be purchased on site at the event. For more details including acceptable items, see our Big Bin article.

25th Kites Over Callingwood

This year CLCL's 25th Kites Over Callingwood Festival will be an extended event on Saturday, September 2. Please see our Kites article for more details.

FAREWELL

With all the talk of Kites Over Callingwood it is time to say farewell and thank you to Sharon Brown, who has organized the event for many, many years. Without her hard work, commitment and determination this event would not be what it is today. We wish Sharon and Vic the best in their retirement years.

In these newsletter pages, you will come across many events and happenings that create and support our vibrant community. Perhaps you want to engage in making an impact for yourself, your family and your neighbours? In September, at our Annual General Meeting, you can become actively involved in our community by committing your skills and expertise to our Community League Board, through an elected position or by expressing interest in initiatives you'd like to be involved in. We have vacant board positions, Vice President, Member at Large, Programs Director, Civics Director and with the retirement of Sharon Brown, Kites Over Callingwood Director, to fill. Please take the summer to think about becoming involved and making our community an even better place to live in.

I hope to see lots of community members out to these upcoming events and also hope everyone enjoys the rest of the soccer and baseball season and has a wonderful summer!

Outdoor Soccer

I love what Eduardo Galeano – a Uruguayan journalist, writer, and novelist who died in April 2015 – was quoted to have said about soccer: “I’m attracted to soccer’s capacity for beauty. When well played, the game is a dance with a ball.”

Despite a delayed start due to weather, CLCL’s outdoor soccer season has truly been a beautiful dance. Amongst the many dancers are not only the players themselves, but the many devoted volunteers who have helped to make this season such a success. On both the frontlines and behind-the-scenes, our volunteers have ensured that our children have been gifted with a positive and fun-filled opportunity not only to kick balls around a field, but to build long-lasting friendships. And of all our volunteers, it’s our coaches and team officials who deserve a special note of thanks.

Though we did have significant struggles finding coaching support for some of our teams, our community’s true colours continue to shine as many parents and other community members have stepped forward. And for this I am personally and profoundly grateful – for without coaches, CLCL wouldn’t have been able to be 17 teams strong, with full rosters. Indeed, our CLCL Soccer Program is alive and well!

Regrettably, we needed to turn many away who inquired about registration by the end of April as our teams were formed and full. Please do ensure that you mark your calendars for February 2018 when registration will open once again for the outdoor season. I’d also encourage you to watch for more information in future newsletters, school handouts, road signage, etc. Also stay tuned for information about the indoor soccer season starting in the Fall. If you’d like more information about soccer, please either visit www.emsawest.com or email me at clclsoccer@telus.net. So enjoy the dance everyone!

Are you a fair-weather scooper?

We all know we should pick up our dog’s poop, but it’s very easy to forget a bag or look the other way especially when no one else is around.

Don’t be that kind of dog owner. Make a point of scooping your dog’s poop every single time they go on public property. Carry a few bags with you so you’re always prepared to pick up after your dog. It’s also important to regularly clean up pet waste on your own property.

Neglecting to pick up after your dog could mean that someone else picks it up ... on their shoes. Far more seriously, it could expose people and other pets to bacteria, viruses and parasites in your pet’s waste. You could also end up with a \$100 fine.

There’s no denying that scooping up poop is an unpleasant job, but it’s a responsibility that comes with owning your dog and a small price to pay for the joys of owning a furry friend.

Help keep the pathways around the league poop free. Please remember that all dogs on parkland must be on a leash. La Perle rinks are not considered an off leash park; please refrain from using them for your dogs.

Life-Rescue is an Edmonton based medical training company, owned and operated by active Medical First Responders. We ourselves are residents of the community, and being so we would like to offer all La Perle Community League Members 50% off of our CPR and AED training courses.

The importance of being trained in CPR and AED usage

- 5% survival rate - If someone is having a heart attack and is not given correct medical attention.
- 80% survival rate – If an AED is used correctly within 1 minute of the heart attack.
- 10% decrease is survival rate per minute medical attention is not given – The importance of correct medical training is essential to maximize a patient’s survival rate
- Who should consider taking a CPR/AED course?
- Parents with children
- Adults whose parents are now seniors, and may be living with them
- Anyone considering a career in front-line services

- Anyone who is responsible for others – Ex. Babysitter, Coach of a Team, etc
- Anyone who wants to learn what to do if there is a medical emergency

What we offer

- “Heart & Stroke Basic Life Support (BLS) Provider (C) & HeartSaver (C)”
- This course includes:
 - CPR for adults, children and infants
 - 1 and 2 rescuer CPR
 - AED training
 - Choking in adults, children and infants
 - How to use basic airway devices – pocket mask and the Bag-Valve mask
- Red Cross Standard First Aid, Emergency First Aid and CPR/AED (C)
- Same content as Heart & Stroke HeartSaver (C)
- Also includes wound care, spinal care, bone/joint injuries and environmental emergencies

Additional courses can be planned at any time, based on demand

La Perle needs input from the next generation of young families in the Community.

If we don’t know what you want – how can we deliver?

Remember: Just because your children have grown, are not playing youth sports anymore, this is still YOUR community
Let’s try and make it the best for all ages young, old and those in between!

New to the area and want information? Stop into the hall and let’s have a chat!

Message From Your President

It seemed to take forever, but spring is finally here! 2017 has not been without excitement either with the Oilers finally ending an 11-year playoff drought. Those boys made our city proud and should provide several more seasons of playoff action. Around our community, the excitement continues as the designs for the new Lewis Farms Recreation Centre were unveiled which will include a large aquatic centre, three gymnasiums, ice rinks plus many more amenities along with a library and district park. For more information on the new Lewis Farms Recreation Centre plans, visit the La Perle FaceBook page. Spring is also the time for our annual town hall meeting. Thank you to all the members who attended the meeting on April 23rd and contributed to a great discussion. After much discussion, the community has made the difficult decision to close the rinks indefinitely. The rinks have become very expensive to continue running and inclement weather continues to reduce the number of days the rinks are operational. La Perle executive are currently in discussion with Belmead executive to determine how we may be better able to share costs and benefits of programs and services, including their rink. The La Perle board is currently discussing what may be done with the rinks now that they have been closed. The board welcomes any suggestions our members may have.

Spring is also an exciting time for the new Naturescape program. Volunteers will be needed to help with the watering and caring of the project over the summer. Those interested may contact Director Melissa Urusky. We kindly request that pet owners please keep their pets away from the project so that we can preserve the hard work the community continues to invest in this project. We also encourage participation in the Front Yards in Bloom and Balconies in Bloom programs. Please check the website for more information: https://www.edmonton.ca/programs_services/landscaping_gardening/front-yards-in-bloom.aspx

The Green Shack program will once again operate this summer Mondays through Fridays 2:30pm to 6:00pm and Fridays 1:30pm to 5:30pm. The Belmead Green Shack program will be operating 10:00am to 1:30pm.

Good luck to all our soccer teams competing this year! Thank you to all the coaches and volunteers who make these seasons happen. Casinos are the top fundraiser for our community. Please contact Barb Brazel to volunteer for the La Perle casino at the Palace on October 2nd & 3rd.

Have a great summer! See you July 22nd for the Stars and Cars Safety Fair and Classic Car Show at LaPerle Community. Please see the advertisement for more information.
