### SIF Event Anti-Racism Stop Bullying

Well Done Ida Richards and the SIF group! This is only the beginning of the conversation...

You are a lady that is tenacious and courageous and an inspiration! Well done and best wishes to you and your team of dedicated, thoughtful and courageous leaders. Way to lead the way and show all of us what is possible when we come together to voice our concerns for the many people. Showing us that fear is not going to immobilize us, but that we will push through it and past it to make a difference for the many! Proud of you and

the SIF group. I encourage and applaud all of you to continue to lead the way! Natasha

Proud of our Twin Brooks Community League group, the Seniors Innovation Fund for organizing the public forum today!

I am pleased to have been invited as a guest speaker.

Special thanks to our panelists, distinguished guests, and moderator for making the Forum a successful opportunity for dialogue, perspectives, and respectful discussion of ugliness of racism, hatred, and bullying in our society. Mike Lanteigne

## Community Corner

Oh, the weather outside is frightful  
Being at home is delightful  
And since we've got to go  
Let the city plow the snow  
Man it doesn't show signs of stoppin'  
I got some tunes that are poppin'  
The sun doesn't come up for an hour  
Let us plow, let us plow, let us plow  
Yes that is my version of a fun holiday tune these last few days! First real big blast of winter. I hope that you have all made it safe and sound to and fro. It is a reminder for all of us to slow down and give ourselves enough time. Even an hour for what is typically a 20 minute drive may not be enough. Employers please understand that we put ourselves and our families at risk every time we get in our cars trying to make our way on time. Please keep in mind the weather conditions. Arrive alive is my motto. Slow and steady wins the race. Be safe this winter season. With the holidays just around the corner and festivities in full swing if you haven't downloaded the UBER app maybe it's time to consider that as you make transportation plans this holiday season.

We have had many great things happening in our community from the Annual General

Meeting in October, to the SIF Anti Racism Forum, the Mens Shed Launch, and our First Annual PJ Breakfast with Santa. I am excited to introduce our Board of Directors, this edition you will meet our President, Membership Director, Facilities Director, New Program Director and New Social Director. Please help me celebrate these amazing volunteers! If you would like to give anything this coming year please consider giving your time. The greatest gift we have and the greatest gift we can give! Best wishes to you and yours this holiday season! Happy Holidays!!!

## Holiday Message From The President

Fellow residents of Twin Brooks,  
The holiday season is fast approaching, and as many of you are getting ready to host family and friends over the coming weeks, I want to update you on several important topics in our community.

The Twin Brooks Community Centre is thriving with facility rentals, community based programs, and outdoor activities.

Recently, many children and families enjoyed our 1st “Breakfast with Santa” at the TBCL Community Centre. It was a full house, and many residents encouraged us to host this event again next year. Hats off to our newest board member, Ann Johnson for originating and organizing this amazing event!

We are fortunate as a community to have a NHL-size outdoor rink for children, families, and recreational sport teams to enjoy.

Without the donation of time from all of our fabulous volunteers and board members, our community would not be able to enjoy these amenities and events. “Thank you” for your commitment to our league!

New TBCL Board of Director Members: Welcome!

In October, we held our Annual General Meeting at the Twin Brooks Community Centre.

The meeting was well attended, and new board members joined our team.

I want to welcome the following community members elected to our board:

Ann Johnson - Social Director

Alice Ou - Program Director

Thank you ladies for stepping forward to donate your time to our fabulous community!

The Holiday Season & A New Year:

Our Twin Brooks Community League

Board of Directors will continue to work hard as we turn our calendars over to 2019.

The Playground Development Committee, Seniors Initiative Fund Program, and our Community League Soccer Program will make major strides in the New Year.

On behalf of our board, I want to wish you a very Merry Christmas, or if you are celebrating another holiday, may you experience love, peace, and prosperity, sharing time with friends and family this season.

All the very Best in 2019!

Sincerely,

**Mike Lanteigne**

**President**

**Twin Brooks Community League**
