Join our friends from Dickensfield Amity House for a fun Family Halloween Party. There will be a free BBQ, games and activities!

Poplar Park Spray Pad Grand Opening

Wendy Peacock, Councillor Jon Dziadyk, Shannon Tenney, MLA Chris Nielsen, Rae-Anne Friedenberg, Trish Perrin (and daughter), Gord Harris (Area 17) and David Dodge at the grand opening of the new Poplar Spray Park in Poplar District Park in Belle Rive in north Edmonton.

Poplar Park volunteer Wendy Peacock, Evansdale President Jeff Muiselaar, and Area 17 President Gord Harris go for a spin on the Merry-Go-Round at Poplar Park.

After almost 10 years of volunteer work, many popcorn sales, and bottle drives, we are happy to officially

announce that Phase III of the Poplar Park Playground project is open.

With fundraising support from the Province of Alberta, City of Edmonton, Alberta Recycling Management Authority, Area 17 Communities, Friends of Florence Hallock Society and numerous community members, the spray pad and playground expansion were ceremoniously opened on September 6.

Students from Florence Hallock School ensured that MLA Chris Nielsen,

Councillor Jon Dziadyk, Area 17 President Gord Harris and other dignitaries were treated to the full spray pad experience by turning on the water during photos!

Thank you from the PPP Committee (Friends of Florence Hallock Society) and to all the groups and individuals who helped with fundraising and building the beautiful playground, spray pad, and basketball court that are loved and used by many children and young-at-heart adults!

A Vote That Will Put You Ahead

With the federal election nearing, voters in North-east Edmonton have to make a choice in government that represents their needs and the needs of their neighbours, friends and family.

Ziad Aboultaif, the Conservative candidate for Edmonton Manning, has knocked on thousands of doors this year and the main thing he's hearing is that constituents in Edmonton Manning are finding it difficult to get ahead. "It's very concerning," stated Aboultaif. "You can't rest easy when you hear a parent telling you they can't afford extra-curricular activities for their kids, a senior saying they are struggling to pay their heating bill, or a family confused as to why they are being taxed so heavily."

Aboultaif believes the Conservative Party has the best plan to make life more affordable for Cana-

dians. "Firstly, a new Conservative government will live within its means," he shared. "A government led by Andrew Scheer will not treat the money of tax payers as a bottomless pit. By taking a responsible measured approach to spending and respecting tax payer dollars, a Conservative government will put more money in the pockets of Canadians."

The Conservative Party has indeed focused their platform on making life more affordable for all Canadians. Scheer has already announced that a Conservative government will:

- Cancel the Trudeau Carbon Tax.
- Take the GST off home heating, saving an average household \$107.
- Make all maternity benefits tax free, saving new parents up to \$4000.
- Introduce a Green Public Transit Tax Credit, saving a family hundreds

of dollars per year.

- Increase the Age Credit by \$1,000.

Save the average family over \$850 on their income tax each year with a Universal Tax Cut.

- Increase RESP grants.
- Put more money in your pocket – for your kids – by introducing a Children's Fitness Tax Credit and a Children's Art and Learning Credit.

As a Member of Parliament (MP) Ziad Aboultaif strongly advocated for the constituents of Edmonton Manning and demonstrated he is a MP that listens and respects the diverse needs of his constituents. On October 21, 2019, a vote for Ziad Aboultaif will be a vote for a government that will get you ahead and a MP that will continue to proudly represent Edmonton Manning.

Please send it to Sean, Kilkenny Publicity Director at publicity@kilkenny.ab.ca or leave a message at 780-807-6089.

Talents to Share? Want a New Program?

Are you interested in starting a bridge club, a fitness group, a new parents group? Do you have an idea for a social event? Are you willing to organize a block party or special event? We are open to your ideas, your passions, and your skills and would love for you to join us and bring more ideas, activities and events to our community. Please contact us to share! We recently had some feedback from one of our board members at large hoping to see more programs at Kilkenny, and we couldn't agree more! If you are interested, contact us. There is assistance available to any who would like to start a new program but are daunted by the task. We just need people with "the will", we'll help with "the way"!

Board Meetings

Become a part of your community & get involved! Board meetings are held the second Tuesday every month (excluding July & August) from 7:00pm – 9:00pm in the Meeting Room of Kilkenny Hall.

Please check the calendar for modifications to that recurring meeting series.

Calling all Handy Men!

Kilkenny Community League is looking to start up a group building project based out of our Kilkenny Hall in the Spring of 2020. Kilkenny will provide the materials; we are looking for your know-how & power tools to come by and lend a hand to build not only planters & benches, but to build

your community spirit.

We're evaluating the community interest in starting up a program like this.

If you're interested in showing up with your tools & time, and are willing to spend an afternoon shoulder to shoulder with your fellow handy neighbours – please email

Admin@Kilkenny.ab.ca.

Similar programs have been run in other communities around Edmonton; which have been hugely successful. For similar programs, please visit: <http://menssheds.ca> or <https://connectingedmontonseniors.ca/mens-shed-program-has-arrived-in-edmonton>

Hall Rentals

The Kilkenny Hall is available for rental!! It is the perfect space for your special event, meetings, weddings and any other social event. Please go to <http://www.kilkenny.ab.ca/facilities/view> to have a look and click on "Book Facility" to... you guessed it... book the facility! The website will also show you when the hall is available. Feel free to call 780-478-2481 to leave a message for bookings as well.

Why Amy's House?

Amy's House - Wednesday,
August 14, 2019-

In May of 2018 37 year old Amy Alain, a young mother of two children and loving wife to husband Phil Alain, was diagnosed with stage 3b non small cell adenocarcinoma lung cancer. Amy was a fitness instructor, triathlete and an Ultra-Runner so the diagnosis came as a shock to her and her family. Throughout her journey she made it a mission to help others and started the campaign Lunges for Lung Cancer awareness. For 8 months she did lunges to raise awareness of the seriousness of lung cancer and how it does not only affect those who smoke. If you have lungs you can get lung cancer. Even in the last month of her life she continued to do lunges from her hospital room. Unfortunately Amy passed away on February 22nd, 2019 after inspiring thousands through her efforts while she fought so hard to beat her own cancer.

One of Amy's wishes was to someday set up a home for people who are going

through cancer treatments that are from out of town. So many times she sat and talked with people while getting her treatments who drove hours daily just to receive radiation or chemo therapy treatments then have to return home just to do the drive all over again the next day feeling so ill from the cancer already and now coping with the side effects of the treatments.

Amy's House will be a place of comfort for patients and family members to help ease their emotional and physical discomfort while they carry on with their personal journey battling cancer. Amy and their family were very fortunate to live close to the Cross Cancer

Amy's House will be a place for families from out of town to stay when family members are going through cancer treatments or any other serious health issues so they can stay close to their loved ones in times of need.

Institute and had remarkable support form so many friends and family while Amy went through her cancer treatments. It was Amy's wish that one day she could provide the same for many

others by creating a home that would provide convenience and comfort for families in need.

Therefore....Amy's House will become the realization of Amy's Dream.

McLeod President's Message

Hi everyone,
A reminder that our Annual General Meeting is taking place on October 24 at 6:30pm in the Programs Room (left doors of McLeod Centre 14715-59 Street). We have a number of vacancies on the Board: Vice-President, Baseball Director, Volunteer Director, Casselman Community Director, and McLeod Community Director. If you are interested, please contact me at president@mcleodcl.ca for more information. Of course, everyone is invited

to hear about what we have accomplished over the past year and to elect the 2019-2020 Board (you must show a current McLeod membership to vote).

Speaking of memberships, we encourage you to take advantage of the discounts and pool/recreation centre access that your McLeod membership provides. In addition to free skating at our outdoor rinks, 10% discount at the Telus World of Science, we purchase full access to the Clareview Recreation Centre on Saturdays from 6:00-

8:00pm. Need a tool but don't want to buy it? We have also purchased access for you to receive a free year membership at the Edmonton Tool Library where you can borrow the tools that you need. For more information about additional benefits and discounts or to purchase a membership, please go to mcleodcl.ca/membership. Please note that you must reside within our boundaries to purchase our membership: mcleodcl.ca/our-five-neighbourhoods.

McLeod Community Safety Director

October 2019 Alberta Traffic Safety Calendar primary focus is Pedestrian Safety. "WHEN EYES LOCK IT'S SAFER TO WALK" Pedestrian safety is a shared responsibility.

Pedestrian here is some safety tips to help get you across.

Be aware of your surroundings and stay alert when crossing the street

Obtain and Maintain eye contact with drivers wait until vehicles have stopped before you cross

Cross the street only at designated crossing points. Do not jaywalk.

Do not wear dark clothing when walking in low light or poor weather conditions. If you can wear reflective vests or jackets

Don't start crossing after the walk light has ended

Stay off your phones and take your headphones off when crossing

Be aware for vehicles turning as you cross intersections
If one vehicle stops for you in a crosswalk, ensure other lanes of traffic also stop before proceeding

Drivers here are some tips to help keep pedestrians safe.

Be aware of your surroundings at all times

Watch your speed

Remember that distracted driving, such as texting and talking on your phone is unsafe and illegal

Use extra caution where children and pedestrians are likely to be nearby such as school and playground zones, bus stops, crosswalks, parking lots, alleys and residential areas.

REMINDER: Playground

Zones are in effect 365 Days a year from 7:30 AM to 9:00 PM. Please follow the Maximum 30 km/h speed limit

Commercial Vehicle Safety

Multiple Law Enforcement agencies teamed up to conduct a few days of level 1 Commercial Vehicle Safety Inspections in Edmonton. Many Commercial Vehicles inspected were put out of service. I wanted to share some of the common Violations I observed to help the drivers of Commercial Vehicles not get fines, towed or put out of service.

-Cargo Securement. Drivers must ensure when using straps or chains that they are marked with Working Load Limit. Ensure cargo is also secured in van bodies.

-Electric Trailer Brakes. Ensure on your pre and post trips that your trailer brakes are working. This includes the Emergency Trailer Brakes (Trailer Breakaway Switch)

-Ensure your air brakes are set up properly and functioning

-Replace Windshields if you have cracks from edge to edge or intersecting cracks in an area swept by the wipers,

or cracks or star chips greater than 25 millimeters in diameter in an area swept by the wipers

-If your Commercial Vehicle is registered over 4500 Kg ensure your company name, GVW and TARE are displayed on both sides of vehicle. The letters and/or digits need to be minimum of 50 millimeters in height. Also ensure the GVW that is on your registration matches what is displayed on the vehicle.

-Tint on front door windows and windshields are illegal on passenger and commercial vehicles. Fines on Passenger vehicles can be up to \$155.00 while fines on Commercial vehicles with tint are up to \$310.00.

The vehicle and trailer in the photo was stopped by Strathcona County Enforcement Peace Officers near Edmonton. The load was so high that it was alleged to have struck two overpasses in the Edmonton area. The driver had multiple violations and was issued large fines for this. Please do not attempt to haul unsafe loads like this. This puts you and the rest of us on the roadways at risk.

McLeod Looking for Rink Attendant

Are you interested in a rewarding part-time, physically demanding job over the winter months? McLeod's outdoor skating rink is a very busy facility, with lots of skaters of all ages. We are currently looking for a rink attendant. The hours are weather-dependent, but the

job normally starts in mid-November and wraps up in April.

The rink is open weekday evenings and weekend afternoons, plus a couple of special events with longer hours.

If you might be interested, please email rink@mcleodcl.ca

McLeod Welcomes Habitat for Humanity

McLeod Community League recently met with representatives of Habitat for Humanity. They will be building homes in Hollick-Kenyon in the near future. They provided the following letter to introduce themselves to area residents.

Dear Neighbour,
Re: Habitat for Humanity will be building in your neighbourhood.

Habitat for Humanity Edmonton will soon be undertaking an exciting development in your neighbourhood. We are excited to

share with you that Habitat for Humanity is the builder of this development and your future neighbours will be homeowners who are just like you!

Our program provides families in your area who may be renting, living with

family, or unable to meet the down payment requirements of a home purchase, the opportunity to afford their own home by putting in 500 hours of sweat equity as their down payment. Each family purchases the house at market value. Hab-

itat families pay a mortgage just like everyone else, but what makes our program affordable is that they never pay more than 30 percent of their income on their housing expenses.

The Habitat program is a great way for a family to save for their future and create equity in their home.

We do not give our homes away. We build them with materials that are gifted to our charity and with skilled trades and cash donations. We follow every building code just like any other builder.

A major component of our program is our volunteers, who will make these homes a reality. There are many people who like to join us, meet new friends, learn new skills, and to help us build homes. The Habitat volunteer experience is a

great gift to your community. Please consider becoming a volunteer and working on the homes in your neighbourhood.

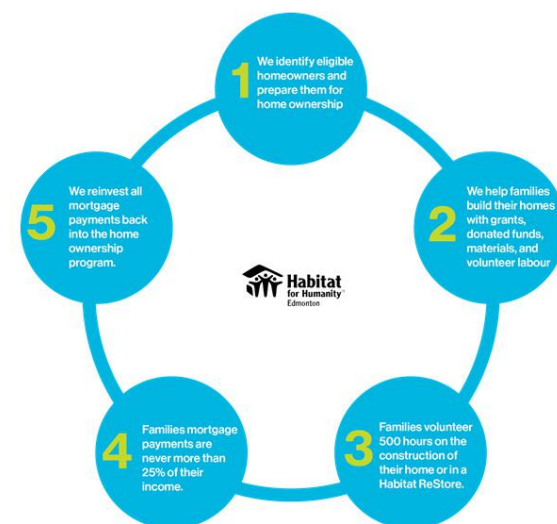

If your family or a family you know is interested in our affordable home ownership program, please view our eligibility criteria online at HFH.org/homeowner.

Thank you for your understanding and for your cooperation as we build homes together with hard-working families just like yourselves.

The families who will be selected are contributing members of the Edmonton community. Please do not hesitate to contact us with any questions you may have.

Thank you,
Karen Stone

How our Program Works

Members with Muttart Passes

Some of you may be holding passes to the Muttart Conservatory with an expiry date that overlaps with the period during which the Muttart is closed for renovations. The renovations are

scheduled to complete in January of 2021. The City has indicated that any passes will have their expiry date extended to 6 months after the Muttart re-opens, whenever that is.

McLeod Indoor Soccer Season

Age Group	Playing Days	Location
U5 – U7	Saturday	East Soccer Centre on Victoria Trail
U7 – U11	Saturday	All 3 Edmonton Soccer Centres
U13	Saturday or Sunday	All 3 Edmonton Soccer Centres
U15 – U19	Sunday	All 3 Edmonton Soccer Centres

The indoor season kicks off October 19th at Edmonton’s three soccer centres. McLeod has 19 teams registered this season in age groups from U7 to U19. We sincerely wish all teams playing indoor soccer good luck.

Key Dates:
October 19 – season starts

November 2 – team pictures at McLeod hall
December 23 – start of Christmas break
January 4 – league play resumes
Please email soccer@mcleodcommunityleague.ca if you have not heard from your coach by October 7th.
Thanks to all the volun-

teers that helped at our registration sessions, organized equipment for the indoor season and the coaches, assistant coaches and team managers that graciously volunteer their time.
We couldn’t do it without you.

Matt Berry Community Hub

Work continues towards the development of a Community Hub for residents of Matt Berry and Hollick-Kenyon. We are still searching for a project partner.
If you know of a non-profit or cultural group that is looking for a permanent home, please put them in touch with us. If you are able to commit to helping out with the project, we are still in need of volunteers. Any volunteer is welcome, but we are specifically

looking for the following:
Project management experience.
Fundraising experience.
Communications experience.
Construction experience.
Residents opposed to the project.
Seniors.
Residents with mobility challenges.
People who enjoy talking to their neighbours.
We are also looking for lo-

cal businesses that are interested in sponsoring the project. Presently, we are looking for a sponsor for a neighbourhood mailout. We are also considering a snowbank rink for the upcoming winter, but we need a volunteer who lives in the area who is able to help with the maintenance of this rink. If you’re interested, please reach out to us.

Martial Arts Class at Northmount - Hapkido

We train at Northmount Community Hall at 9208 140 Avenue.

Monday & Wednesday:
All ages and Drop Ins - 7:30 -9:30 PM

Sweats & loose shirt are ok; at the start uniforms are not required until yellow stripe is achieved. You can go bare feet at the start but recommend some type of indoor/runner shoe.

Cost can be a combination of a registration fee and or working a bingo. Come try it for a month before reg-

istering.

Hapkido is a highly eclectic Korean Martial Art. It is a form of self-defence that employs joint locks, grappling, and throwing techniques similar to those of other martial arts, as well as kicks, punches, and other striking attacks. Hapkido employs both long-range and close-range fighting techniques, utilizing jumping kicks and percussive hand strikes at longer ranges, pressure point strikes, joint locks, and throws at

closer fighting distances. Hapkido emphasizes circular motion, redirection of force, and control of the opponent. Practitioners seek to gain advantage over their opponents through footwork and body positioning to incorporate the use of leverage, avoiding the use of brute strength against brute strength.

Note: There are no classes on statutory holidays.
