President's corner

Hello southeast Edmonton citizens! I will be brief in my words to you this month and leave you to perusing the many events happening across southeast communities this summer. We at SECLA are trying to champion all things southeast community based, and we would appreciate you following us on Instagram @south-east.voice.yeg and on Facebook Southeast Community Leagues Association.

As we roll into the fall, there are some more civic minded matters we wanted to bring to your attention. As you may or may not know, the City of Edmonton has committed funding to building out a bike network for the city, this will impact and improve transport options for communities in southeast Edmonton with planned infrastructure for the communities of Ottewell, Holyrood and Strathearn among others. We like to promote an active and engaged citizenry at SECLA, so we encourage you to read up on how the bike plan

will impact your communities here: <https://bikeedmonton.ca/news/2022/bike-plan-the-details> In addition to the bike plan, the City of Edmonton is also beginning an extensive overhaul of the city's bylaws. There have been numerous information sessions, and opportunities for feedback throughout the process, and we are fast approaching the time of implementation. You can learn all about the city's vision for 15 minute communities and the bylaw renewal in general here: <https://engaged.edmonton.ca/zoningbylawrenewal>

Mark your calendars, there will be a public hearing on Monday, October 16, 2023. These are significant changes, and we wanted to help raise awareness about these important changes to our communities. That is all for me this month, we will speak again in the fall, have a glorious summer Southeast Edmonton!

*Sincerely,
Marshall, SECLA president*

Free Summer Family Fun

We are so lucky in our part of the city! In August and September, Southeast Edmonton offers special, free events that welcome parents and preschoolers. So much to see for everyone.

From August 11 to 21, make your way to Old Strathcona and walk around the Outdoor Fringe grounds to take in family-friendly demonstrations of talent by performers from around the world. Join other parents and children amazed by singers and musicians, dancers, circus artists, and more. Then head to the Kids' Fringe area for entertainment specifically created for children. No tickets required. All are pass-the-hat for change. Check out the Fringe website

before you go to see the list of times and dates of various shows.

On September 9 and 10, from noon to 7 pm, go with your child to the Strathearn Art Walk and Music Festival, an annual, free, family-friendly, wheel-chair and stroller accessible event, celebrating the work of emerging and professional artists and musicians. You'll find them all on Strathearn Drive, between 89 and 91 streets. Enjoy!

We are volunteers affiliated with child and family serving organizations in Edmonton and are committed to raising awareness of the critical importance of the early years to success in life.

Capilano Ice Maker for Hire

Capilano Community League has been fortunate to have a great ice maker for the past 9 years...but the time has finally arrived for the best to retire. So, it is with sad hearts we have to say good-bye to Jeff White and his legendary ice making skills. Capilano has been blessed with a great rink facility, yet it is the quality of fresh ice on a cold winter day that makes it truly special. The ice maker always has a challenge mostly due to Mother Nature not always cooperating when it is time for a flood. However even with perfect weather, great ice needs experience, technique, and tons of hard work in the cold and wind to create the perfect surface. So Capilano Community League would like to recognize Jeff White and his son Trevor with a heartfelt THANK YOU for all their late nights on

the ice, and their long-standing commitment to the community. Thank-you Jeff for the care that you took with the rink that has made all those skating, and hockey memories possible!
So, with that being said...the Capilano Community League now has some big shoes to fill. We are seeking a new ice maker for the 2023-2024 season. This paid position will begin in late November, weather permitting.

Get ready to make a splash this summer with our community swims! With your trusty Forest Terrace Heights Community League membership card, you can dive into some serious fun without breaking the bank. And hey, who doesn't love free activities? It's like finding a \$20 bill in your swimsuit pocket (minus the soggy surprise). Now, before you grab your goggles and start practicing your synchronized swimming routine, remember to

check the updated hours and locations:

- Enjoy free swims at Eastglen Leisure Centre **every Saturday from 3-5 p.m.** until the beginning of September.
- Commonwealth Community Recreation Centre pool is closed for maintenance from July 3 to August 31.

Forest Heights Annual Clothing Swap

As we bid farewell to summer and welcome the cooler months ahead, it's the perfect time to refresh your wardrobe! On **September 30 and October 1**, we invite you to our much-anticipated Clothing Swap. This event lets you clean out your closet and discover new pieces. It's a win-win for your wardrobe AND your wallet! The process is simple: **drop off your gently used clothes at the Forest Terrace Heights Community Hall on Sept 28 or 29 between 6-8 p.m.**

Then **shop on Saturday and Sunday anytime between 10 a.m. - 3 p.m.** Please note that all clothing items should be clean, in good condition, and ready for their new owners. We kindly request no footwear or undergarments and that you bring only clothes suitable for swapping. Let's embrace sustainable fashion together. We encourage you to invite friends and family - the more, the merrier! If you'd like to volunteer, please e-mail events@forestterrace.org.

HOLYROOD GET ACTIVE PARADE

Kids and adults alike had a great time biking around the neighbourhood with their fantastically decorated bikes, wagons and scooters. Winners were selected by secret ballots, and

we also drew a door prize. 4 happy families went home with gift cards to Kind Ice Cream! Check out some of the amazing photos from the parade!

COMMUNITY LEAGUE DAY

Join us on September 16, from 12 - 4pm, for community league day 2023 celebrations! Pick up your new community league membership card, and take in some of the awesome festivities we have planned. Get your photo taken with a Princess, have your face painted, jump around in one of the bouncy castles, pet some

animals at the petting zoo, catch some tunes courtesy of Chubby Cree and Punch Buggy, have a treat from Kona Ice, learn to hula hoop from Amanda Panda! Most importantly, get a chance to catch up with your neighbours and make new friends in the community.

HOLYROOD COMMUNITY LEAGUE BOARD

Come join our fun and friendly team in making Holyrood a fantastic place to live!

Commitments include attending monthly meetings, which are an hour long, in addition to a small monthly time commitment, which is dependent on the role and could be anywhere from 1-4 hours a week. If you are interested in any of the following positions, please email megan@holyroodcommunity.org

FACILITIES DIRECTOR

The Facilities Director oversees the physical operation of the Holyrood Community Hall and Rink Building. The league is currently moving to a model of paid facility management, so the

Facility Director will have a significantly different role from past years. The volunteer Director will act as the board's liaison with our paid facility management contractor, who will be responsible for ongoing maintenance, repairs and upgrades to our buildings. Because of the reduction in duties, the Facility Director will also oversee maintenance and upgrades to the league's outdoor assets, including our skating rink, parking lot and the grounds immediately surrounding our buildings (our "licensed area"). Estimated time commitment is 1-2 hours per week, plus approximately 1-2 hours per month to prepare for and attend monthly board meetings.

COMMUNITY NEWS

-Due to the shutdown at Commonwealth this summer, in August our community swim times will change to Bonnie Doon, Saturdays, from 5-7pm.

-The water rock in the playground has been fixed! Please do caution kids against digging too deep in the sand adjacent to the rock.

-You may have noticed that the burned structures at Dermott Park have been taken down, the city anticipates beginning work late this summer on the new structures.

-A note of caution, please remember that the boulevard Elm trees are not able to be maintained by our residents, they are best left for the city arborists, who normally do maintenance on these protected trees during the winter, to prevent the spread of Dutch Elm Disease.

-Creeping Bellflower is a beautiful invasive weed that pops up all over Edmonton in the summer. Please remove this weed as soon as you see it! Check out our social media for images of this rapidly spreading weed.

-As always, if you notice something that needs attention, please contact the City of Edmonton using 311 or their handy 311 app.

CASINO VOLUNTEERS

Thank you to all the community members who reached out to us to volunteer for the upcoming casino on September 22nd & 23rd! The outreach was truly incredible and it is so appreciated!! We have filled a lot of the volunteer spots, but we do have some remaining times and positions left to fill. If you want to help us, please email megan@holyroodcommunity.org for more information. This casino provides us with 85% of our operating budget for the next 2 years, and without it we won't be able to offer the programs and events that our community relies on. That means no community league day event, no rink in the winter, no sports or fitness programming or community swim times. We have available shifts for the following times: 10 am-7 pm and 6 pm-3:15 am.

Graffiti at KCL

Recently, KCL has experienced graffiti: we have great volunteer people who have been able to remove it. You can do your part by having a look around the KCL grounds for any graffiti or other vandalism when you are at our

location. Benches, posts, garbage bins, signs, or shed seem to be common spaces for the graffiti. If you can share the date and time, it makes it easier for us to search surveillance and determine who it is.

Many hands make a light load

The Ottewell Community League Hall is maintained and run by volunteers, which includes washrooms, rink, park area. Ottewell is very fortunate to have people that pick up garbage on their morning stroll, just to ensure that our park is safe and free of debris for our kids to play. The parking lot of the community hall is the leagues responsibility to maintain.

Due to high use of the park, volunteers are picking up debris and garbage left by the park attendees. Please be mindful and pick up after yourselves so it remains a nice place for all to enjoy.
