Honouring Indigenous Peoples

June is National Indigenous History Month in Canada. You can introduce your preschooler to some aspects of Indigenous culture by joining in the planting of native tree species and celebrations at Tawa Park on June 3, from 10 am to 2 pm. You can find the location on the City of Edmonton website (www.edmonton.ca/city_government/initiatives_innovation/root-for-trees-events).

Later in June, consider exploring the paths leading to Indigenous sculptures in Queen Elizabeth Park on June 21, National Indigenous Peoples Day. A section of the park, ñw (EE-nu) River Lot 11, contains six large pieces by Indigenous artists. Two of them seem to particularly attract preschoolers. Reign by

Mary Anne Barkhouse draws them to carvings of Albertasaurus and Edmontosaurus, and the form of a coyote, curled up on a pedestal. Encourage your child to walk around the pedestal to discover the hare, resting behind it. Further along, visit Mamohkamatowin (Helping One Another). The two colourful mosaic tile turtles were created by artist Jerry Whitehead, with artisans and students from Amiskwaciy Academy, who learned stories about the land from elders and knowledge keepers.

We are volunteers affiliated with child and family serving organizations in Edmonton and are committed to raising awareness of the critical importance of the early years to success in life.

Important Notice to Property Owners in the City of Edmonton

- + Education taxes, which go directly to the Government of Alberta to fund education.

If you have not received your notice in the mail, contact the City of Edmonton by phone at 311.

Taxes Due by June 30

Property taxes are due in full by June 30, 2023. Property tax bills can be paid at most financial institutions, by telephone/online banking and by mail. The City also offers a monthly payment plan; for more information on paying monthly, please contact 311 or check out edmonton.ca/taxes.

Call for help with child development questions

Parents, guardians and caregivers who have concerns about their child's development and well-being can now receive free advice and guidance through a new phone service.

By calling Health Link at 811, Albertans with concerns about their child's development — including speech, movement and hearing — can be redirected to the new Pediatric Rehabilitation Line and speak with an occupational therapist or another appropriate allied health professional.

The new Pediatric Rehabilitation Line provides advice to parents and caregivers of infants, children and youth (birth to 18 years) who have concerns about developmental milestones in areas such as:

- Moving and playing (e.g., crawling, walking, coordination, playing with toys, using utensils).
- Talking and listening (e.g., babbling, using words and sentences, speech sounds, understanding directions, stuttering, voice quality).
- Taking care of self (e.g., dressing, toileting, sleeping).
- Managing emotions (e.g., calming self, becoming overwhelmed or overstimulated).
- Difficulty eating or swallowing (e.g., coughing, gagging).
- Hearing (e.g., responding to sounds, noise, voices, words).

The Pediatric Rehabilitation Line can also help callers who are looking for local services and/or current rehabilitation resources (e.g., links to information or webinars), or need support to help a child or youth recover from COVID-19.

AHS also offers free webinars that cover developmental topics for children and youth from birth to 18 years. Topics range from toilet training and tummy time to emotional regulation and speech development.

Hosted by pediatric rehabilitation professionals, the AHS webinar series is designed for all parents and caregivers. It may be especially beneficial for those with children and youth who may be developing differently or have medical conditions that are affecting their development.

Most sessions are live, meaning participants can ask questions during the session. Some sessions are pre-recorded.

Each webinar is free of charge and will focus on a specific developmental skill such as walking, talking, listening and more. Parents and caregivers will build skills and gain confidence by learning practical ways to help children and youth improve their skills while supporting development.

The free webinars are delivered on Zoom and require registration in advance. Information and registration for the free webinars can be accessed at myhealth.alberta.ca/pediatric-rehabilitation/webinars. You may also find information by searching "pediatric rehab" at together4health.albertahealthservices.ca.

Avonmore Welcoming Committee - Consider Volunteering!

The welcoming committee needs volunteers! Do you walk your dog around the neighbourhood every evening? Consider taking on the easy task of being a 'newcomer scout'. If you see somebody moving in, note the address, and update the google spreadsheet. It's that easy! No middle man, and no other tasks needed of you. Now, we also need brave souls who would like to be 'greeters' and physically

deliver the welcome packages to the newcomers. If you're an enthusiastic and friendly, welcoming person consider signing up! By giving people a warm welcome, we increase the chances of our newcomer friends becoming active members of the community. We hope to assemble 6-8 greeters to make this committee happen. Email president@avonmore.org to sign up as a scout or greeter.

Avonmore Vision is ready for everyone!

This is our community vision, so we need you to tell us what you like and what could be changed. We will share the final version at the AGM in May. You can learn more at <https://avonmore.org/vision/> or download it from this QR code.

bours whether you are new to Avonmore or a long time resident. All ages welcome. There are always treats from the Hazeldean Bakery or sometimes from someone's kitchen.

Avonmore Moves

In Avonmore, we are running a movement initiative, in support of mental health. We know there is a definite connection between mental health and exercise! Since the beginning of June 2021, we've encouraged Avonmore residents to track movement in kilometres. Some residents use a device that tracks their movement of steps, running, biking or others calculate 20 minutes of workouts which equals 1.6 kms. Community members record their movement and send their information to me so we record the numbers for the whole neighbourhood. We are participating in a Community Challenge with 5 other surrounding communities.

We have 14 people who regularly track their movement and send in their numbers. From the beginning of June 2021 to April 16, 2023 we have moved a total of 115,438.9. We are heading towards our third trip around the earth of 120,225 kms before the end of May 2023. (The circumference of the earth

is 40,075 kms). We only need an additional 4,786.1 to hit our goal of 3X around the earth. WE WILL DO IT!!!!

We want you to join us in tracking our movement! Anything you or your kids do that is active is eligible! Just count 20 minutes of exercise is equivalent to 1.6 kms! We would like everyone who can log their workouts, steps or biking kms to join us! Please join us the rest of Avonmore is this fun way to improve our physical and mental health by doing these two things:

1. Send me an email at active@Avonmore.org and get started recording your own movement.

2. Sending this same email address to everyone in your Avonmore contact list so they can join in.

If you have any questions, please email active@Avonmore.org. I look forward to hearing from you!

FREEPLAY FOR KIDS

Looking for something fun and affordable to keep the kiddos occupied this summer? Check out Freeplay for Kids - there are still spaces in their summer camp programs. The summer camps are from Monday to Friday from 8:30AM-4:30 PM, always in the same location. Kids will try multiple sports as well as a great mix of arts and crafts, outside time, field trips and fun. All of the sites will have indoor and outdoor spaces to use, so they are weather-proof - no cancellations due to weather. All Camps follow their philosophy of supporting kids to Play, Belong and Grow. They believe in

the value of multi-sport plus a healthy mix of arts, crafts, free play, and field trips!

#1: Free Camp: for families currently registered in our free elementary school programs. This is hosted at the Edmonton East Soccer Centre. They ask for \$10/week to reserve a spot.
#2: Start to Play Camp: this camp is for kids and families who are not part of our free elementary programs and looking for an affordable camp. This is also hosted at the Edmonton East Soccer Centre. This camp cost \$99/week. Freeplay for Kids does not make a profit from these camps.

COMMUNITY SWIM UPDATES

Due to the shutdown at Commonwealth this summer, in July and August our community swim times will change to Bonnie Doon, Saturdays, from 5-7pm. Remember that the outdoor pools will be opening over the next few

weeks, and they still require a booking to attend (you can book up to 2 weeks in advance on the City of Edmonton's Move, Learn and Play website). All the community spray parks should be open by the end of May.

Something is popping up in Holyrood!

You may have noticed a new addition to Holyrood park - we've got twelve new pop-up garden beds ready to be filled!
If you are interested in growing in our new community garden, please email geordan@holyroodcommunity.org

HOLYROOD COMMUNITY LEAGUE BOARD

CASINO COORDINATOR

If you missed our AGM but would still like to volunteer in any capacity, please shoot an email over to megan@holyroodcommunity.org and we will get you connected! Come join our fun and friendly team in making Holyrood a fantastic place to live!

Commitments include attending monthly meetings, which are an hour long, in addition to a small monthly time commitment, which is dependent on the role and could be anywhere from 1-4 hours a week. If you are interested in any of the following positions, please email megan@holyroodcommunity.org

LEADERSHIP OPPORTUNITY - PRESIDENT

We are desperately seeking a president for our community league board. Without one, it is very difficult for the board to operate. Would you like to make a significant contribution to your neighbourhood? Do you want to build board leadership skills? Are you keen to work with a team of like-minded individuals who care about our fabulous Holyrood community? Can you commit to an hour-long meeting online, once a month? If so, you might be the next President of the Holyrood Community League!

The HCL Board is a high-functioning, well-organized, fun group of volunteers who are keen to welcome and support a new leader. If you think you might have the time, interest and skills to be a community league president, please consider this opportunity!

Some of the responsibilities of the President role include:

Providing leadership to the board by:

- focusing the board's activities on the league's mission
- ensuring good governance
- leading in strategic/annual planning
- leading in policy development and review
- encouraging board members to participate in meetings, activities and initiatives

Recruit and orient new board directors and coordinators.

- Submit a brief report for monthly board meetings.
- Approve the budget and other financial matters.
- Develop, approve, monitor and review league policies. Contact Megan at: megan@holyroodcommunity.org

This role is vital to our board as this year is a casino year. The casinos are the lifeblood of a non-profit organisation and constitute the majority of their operating budget. Our casino dates are September 21 & 22, 2023. We will be doing a call out for volunteers for the casino later on this year, but we absolutely need a casino coordinator to get us ready for this very important event.

Responsibilities include:

- Maintains financial records.
- On behalf of the board and with board approval:
 - applies for gaming licence
 - applies for grants and permits
 - Prepares written reports on gaming events
 - Works with Volunteer and/or Membership directors and recruits volunteer workers

Liaises with AGLC

- receives all casino paperwork
- receives the casino licence to operate
- brings all paperwork on the first day to the casino

• Hires the independent casino advisors, signs their contracts and returns it to them (we already have an independent casino advisor that works with us, so liaising with them will fall to the casino coordinator).

Schedules volunteers to five (5) specific casino positions - total of 48 spots over the two days.

Notifies volunteers of their position and the times of their shift by e-mail.

At the end of the casino, fill in the application for the next casino event.

Receives notification by mail from AGLC of new casino quarter

PLAYGROUP COORDINATOR

Holyrood Drop in Playgroup is still in need of a volunteer playgroup coordinator to help once per week to keep our playgroup running! This is a great opportunity to get involved and meet other caregivers of young children in the community. Get Involved! Join Ottewell's Volunteer Team

Did you know Ottewell Community League, like all Community Leagues in Edmonton, is run solely by community volunteers? The City of Edmonton does not pay for any positions or provide any funds to maintain the Community Hall building or rink maintenance/ice making. Community events and programs are supported by the Community League and its volunteers.

All the members that hold Board positions give countless volunteer hours to make our community a vibrant place to live.

If you would like to get involved with the Ottewell Community League either in a small way or a big way, we encourage you to join us at our monthly Community League meeting held the third Tuesday of the month 6:30 pm at the Community Hall.

Abundant Community Program

Abundant Community Edmonton (ACE) is a grassroots initiative fostering neighbour to neighbour relationships. Community members in this program actively create vibrant, caring and supportive blocks, buildings and cul-de-sacs where people look out for one

another, share gifts, skills, experiences and resources to play together, and collectively create an abundant neighbourhood.

Contact ACEOttewell@gmail.com to reach a Block Connector near you or visit ottewell.ca to find out more.
