Gardens Help Kids Grow

With longer, warmer days in May, it's a great time to begin a garden with your preschooler.

Whether you have a backyard patch of dirt, a few plant pots on a balcony or beside a kitchen window, or a small plot in a neighbourhood communal project, many of the benefits of gardening with your child are the same. You help your child grow along with the flowers and fruit, herbs, and veggies.

Digging, planting, weeding, and watering are all activities that help your child develop physically. As you both wait for seeds to germinate, flower, and produce fruit or vegetables, your child learns patience and develops emotional control. As you see tiny shoots emerge and blossoms appear, you can talk about colours and shapes and the names of different plants, introducing new words into your child's growing vocabulary.

Visit your local public library to find children's books about gardens. Read them together as you watch your garden and your child grow in the spring sunshine.

We are volunteers affiliated with child and family serving organizations in Edmonton and are committed to raising awareness of the critical importance of the early years to success in life.

Edmonton Green Shack Program

Avonmore's Green Shack Program will be on the AM Only Schedule (10:30am-1:30pm Mon-Fri) from July to August

The Summer Green Shack program is a free drop-in program for children ages 6-12; however, all are welcome to participate. Participants under 6 years of age are required to have a parent or guardian with them.

Get active and join in on games, sports, crafts, music, drama and special events! A complete list of activities and special events is posted on the side of Green Shacks each week. If there is a game or activity that piques your child's interest that you would like to have included in the programming, just ask the Program Leader.

Program leaders will be hosting a va-

riety of games, challenges and activities that are sure to get kids active and having fun!

Program Leaders are easily identified by their blue shirts and may be assisted by volunteer leaders in training. All leaders:

- Have completed a security clearance process, are trained in first aid, and are certified specialists in fun!

- Ensure participants play safely (Parents are responsible for their children at all times and must be available in the event of an emergency).

Programming is still available on rainy/snowy days but may be cancelled during severe weather. For more information, visit https://www.edmonton.ca/activities_parks_recreation/green-shacks.

Meet Your Community League Board

Civics - Brandi Mogge

Brandi Mogge (pronounced like hoagie) has lived with her partner Calvin in Avonmore since 2015. She grew up in a town of 500 in Saskatchewan, and has always wanted to live in a neighborhood that feels like the supportive, small town she grew up in. The vacant Civics Director position seemed like the perfect opportunity to contribute to building this community they call home, and to apply some of her regulatory and collaboration skills outside of her work with the federal government. She is an avid learner and hopes that will help her figure out this new position quickly to ensure the community's voice and vision is represented in the City's planning and development initiatives.

Brandi and Calvin are often accompanied by their big husky cross rescue dog, Maple, on strolls all around the neighborhood and through the ravine. They like good food, live music, and getting out to Alberta's beautiful mountains and eastern slopes as much as they can; typically to hike, and always to enjoy a hot dog by a fire. They also like to dabble in cider-mak-

ing, so if you have an apple tree with fruit to spare in the fall, they'll gladly take them and turn them into liquid gold to share!

Admin Director - Lauren Lauren has lived in the Edmonton area her whole life and moved into the Avonmore neighbourhood to live with her long term partner in 2015. She works in the healthcare field full-time with geriatric patients and when not at work enjoys exploring the local food scene, going for bike rides, running, weight lifting, building Lego sets (particularly the botanical series), getting too many tattoos, and pestering her two chinchillas Remington and Bee.

As someone who is chronically online, the role of admin appealed to her as a way to contribute to the community. This is a non-voting position whose main responsibilities involve monitoring the admin account and responding to inquiries or forwarding them to the appropriate board member, setting up or updating email accounts for the board, and maintaining the local babysitter registry. Although somewhat of an introvert, Lauren is always happy to chat or help out, especially if the request involves physical activity!

Karate at Capilano Hall

Looking for something new? Try Okinawan martial arts, offered at Capilano Hall.

Classes are held every Wednesday; separate karate classes for adults and youth (parents can join the youth class and work with their kids). Kids will learn the fundamentals of classical Goju-ryu karate, including functional strength training. Karate helps with focus, flexibility, discipline and so much more.

Adult classes rely heavily on function strength training as well training that focuses on the practical aspects of karate

training – awareness, confidence, conflict avoidance and self defence.

We also practice Ryukyu Kobudo for those who have experience in martial arts and want something different – or for the new student who wants to expand their martial experience. It's a workout for the mind and body.

Students of the Capilano classes are also eligible to attend training nights at all other halls at no extra cost – four nights a week!

Holyrood Community Annual General Meeting

Our 2024 AGM was held in person at the Holyrood Community hall for the first time since the pandemic! 29 members were in attendance, and Councillor Ashley Salvador opened the meeting with welcoming remarks. She also acknowledged the work the league has undertaken in its reconciliation activities - special thanks to Nor'Ali and Christine who continue to organize the opportunities for our community. The meeting was spent reviewing and approving the minutes from the 2023 AGM, delivering the

annual report to the membership, reviewing last year's financial statements and this year's budget, electing the 2024/2025 board of directors, and recognizing the amazing volunteers who dedicate their personal time to making Holyrood a fantastic place to live!

Warm Welcome To Your 2024/2025 Board Of Directors And Thank You To Outgoing Members

The board would not be what it is without the collective help of dedicated neighbours volunteering their time. Thank you to those who have stepped up to fill some important roles. Your new board members include:

Andrew - Treasurer
 Jeff - Facilities and Grounds
 Petro - Holyrood Development Committee
 Kate - Programs
 Lisa - Memberships
 Outgoing board members include Vonn (Treasurer), Jana (Communications), and

Wes (Sports and Fitness). Thank you for your contributions the past 2 years!

We are currently still looking to fill the following positions:

 Commitments include attending monthly meetings, which are an hour long, in addition to a small monthly time commitment. Workload is dependent on the role and could be anywhere from 1-4 hours a week. Please email chris@holyroodcommunity.org for more details on each position.

Babysitters Wanted For Holyrood Babysitters' Registry

Certified babysitters are still needed in the community! Many families in the neighbourhood are looking for skilled, trustworthy babysitters. If you are a babysitter and are interested in getting your name on the registry, please fill out our google intake form using this QR code. Note: Providers

under age 18 need their parent's permission to be listed on the registry, so please have a parent included in the email and when filling out the initial application.

If you are in need of a babysitter, please contact communications@holyroodcommunity.org to be matched with a babysitter.

Community Reconciliation Initiatives

Our Community League hosted two Metis Beading Workshops on April 11 and 13th, one in partnership with Forest Terrace Community League and the other at the Holyrood Community Hall. Led by Kalyn Kodiak of Kodiak Herbal, the well-attended workshops guided participants through learning, creating, and celebrating the richness of the Metis tradition of beadwork.

We would love some community support as we continue to foster reconcili-

ation and allyship. As we continue our second year of offering Indigenous workshops, events, and opportunities, we would love to hear from you! If you are interested in contributing, or have an idea you would like to see in the community, please connect with coordinators Christine (christine@holyroodcommunity.org) or Nor'Ali (norali@holyroodcommunity.org). Be sure to keep an eye on our social media channels for upcoming events and workshops centred on reconciliation.

The Idylwylde Community League is organizing another Capital City Clean Up BIG BIN Event on Saturday, May 25th, 2024 from 9:00am to 1:00pm. School Parking - A friendly reminder

Illegal parking around schools in our neighborhoods causes congestion and visual obstructions that make it hard for drivers to see pedestrians, especially children, crossing the street. Illegal parking around school areas can be a safety hazard and can create unreasonable disruption to the residents living in the area.

To help prevent problems around schools, the Edmonton Police Service and Parking Enforcement Officers work together to ensure students, parents and staff members of local schools know where to park safely and legally.

For more information visit edmonton.ca/schoolparking.

WATCH FOR OPENING DATES

Fun, social and friendly. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

If you play pickleball or would like to try it out for the first time you may be interested to know that our hockey rink at Ottewell has five pickleball courts painted on the concrete surface.

Starting in May we will have scheduled time slots for drop-in pickleball. Volunteers will open the shack and help set up nets. Paddles and balls will be available for use.

Drop-in pickleball will be FREE for Ottewell Community members who present their membership card.

Those who do not live in Ottewell can pay a \$5 drop-in fee or purchase a season pass for \$15. These can be purchased at the drop-in sessions (cash only).

Visit our website at <https://www.ottewell.ca/pickleball> or social media for up to date schedules. Please note that all time slots are dependent on the availability of our amazing volunteers so the schedule may vary from week to week.

We would like to offer as many drop-in times as possible. Volunteering to lead a drop-in session is fun, easy, and a great way to meet lots of fellow pickleballers. If you're interested in getting involved or have any questions about pickleball at Ottewell, please contact Tom at ocl-rink2021@gmail.com.

Tell One Friend: Individual Yogurt Cups Are Not Recyclable

One of the most surprising things for many visitors to the EWMC is that individual yogurt or fruit cups are not recyclable!

Anything smaller than the palm of your hand (including paper, plastic, tin etc) is too small to be sorted and marketed as recyclable.

Encourage friends, co-workers and neighbours to buy larger containers of yogurt or fruit and transfer contents to small reusable containers for on the go snacks.

New SCL membership cards now available!
