## SOUTH-EAST EDMONTON COMMUNITY FAIR A HUGE SUCCESS!

Hello South-East Edmonton citizens! This past month SECLA was pleased to partner with a variety of community-focussed organisations, most notably the South East Edmonton Community Collective (SECC) and the Spirit of Hope United Church to host our first ever community fair.

This event saw SECLA host a variety of organizations across a variety of programs and service areas. We were proud to have representation from the following organisations... SEESA & Sage, who cater to the senior population of South-East Edmonton. Boyle Street Community Services, YESS, and the George Spady Society to address housing concerns for our at-risk neighbours. City planning, transit, EPS and transit safety to speak to all manner of concerns related to law enforcement and our changing neighbourhoods. The Edmonton Public library was on hand to talk about their various programs. Youth were represented by Kenilworth Youth Group, and the fair also featured groups such as EFCL and REACH,

who like SECLA, are centred around making connections and bringing communities together. Lastly, our political representatives at the municipal and provincial level, Councillor Ashley Salvador and MLA Marlin Schmidt, attended with the goal of connecting with their constituents.

Overall, the event was a huge success and saw a robust turnout of South-East residents looking to learn about what various groups in our neighbourhoods are doing to make this corner of the city the best place to live! Organisations and citizens alike were able to network and connect, which was great to see. This, along with general awareness and education, was a pri-

mary reason for hosting this community fair.

For those that attended, we would love to hear your thoughts as we hope to plan similar events in the future and build upon the successes of this past fair. Please email [info@secla.ca](mailto:info@secla.ca)

if you have any thoughts to share. We are here to serve South-East Edmonton residents and we want to do right by you!

In other news, we have had a subtle rebranding to welcome King Edward Park into SECLA by adding a 12th spoke to the SECLA logo, after they joined SECLA in 2024.

**Speaking of King Edward Park, we are looking for a SECLA representative to join our board and represent the KEP neighbourhood at SECLA meetings and help us**

**chart the course for this organisation. It is not a big time commitment and you would be helping to continue the rewarding work of building a connected community! If you want to know more please email [info@secla.ca](mailto:info@secla.ca)**

On the horizon for SECLA, we are in the midst of planning an outdoor event at the skatepark in the coming months, so please watch our socials, and read the South-East Voice to learn more.

We are also looking for a social media/publicity person on a contracted and financially compensated basis, if this is something you are interested in please also reach out to [info@secla.ca](mailto:info@secla.ca)

**Follow us on Instagram!**

Sincerely,  
*Marshall, SECLA President*

## Avonmore Community Playschool

With Spring finally here we are excited to get back outside in the warm air again, not that we haven't enjoyed all the sledding and snow painting that comes with winter time. We would like to say thank you to everyone who wrote the children thank you letters for their holiday packages, they loved getting them. With one thank you letter there was a gift of money and we were able to buy a used exercise bike for the kids, that they absolutely love. The kids want to say, thank you so very much, as they have taken many adventures all while staying warm inside.

The children are also getting excited for the next couple months as they will be filled with field trips to safety city & crankpots, raising baby chicks, butterflies, planting our seeds for summer and so much more. But our journey won't end completely in June

We are excited to tell you that we will be running our Avonmore Community Playschool summer program again this year on Tuesdays and Thursdays in July and August for children ages 3-6. We are happy to assist families by keeping the playschool open during the summer months, providing them with affordable childcare, but at the same time, understanding how important it is to keep children in a normal routine too, all while having fun.

We have also started accepting registrations for the coming September school year. If you are interested in registering for summer and/or fall spots, have any questions or are looking to book a walk through/teacher meet and greet at the playschool, please email us at [playschool@avonmore.org](mailto:playschool@avonmore.org) and we will help you in any way we can.

## Changes Principal Residence Exemption Secondary Suites

Do you have two self-contained units with separate entrance, kitchen and bathroom? If used as one single-family residence, they likely would be a single housing unit. If inhabited separately from each other, the suite would be a separate housing unit for PRE purposes.

Incentive Program, the suite must be rented to a non-family member to qualify and may not qualify for the PRE. A suite built using the Multigenerational Home Renovation Tax Credit, usually is considered to be two separate housing units. If used together as a single unit, it may be eligible for the PRE.

Each situation has to be assessed based individually to see which rules apply. There may be significant income tax implications as only one unit may be designated as the principal residence each year.

### Building Faith, Community, and a Brighter Future

Edmonton Catholic Schools Trustees reflect on Lent, new school investments, and strengthening Catholic education

As we journey toward Easter and the Resurrection of our Lord Jesus, the Board of Trustees is thankful for all the ways the Lenten season has deepened our faith and strengthened our community. Students and staff in our schools have embraced the call to serve by engaging in retreats, acts of service, and initiatives that embody the values of compassion and justice. We are amazed by how our schools have inspired and supported one another during this season of reflection and growth.

We are also pleased to share exciting news about school infrastructure. The Government of Alberta has announced Planning Funding for two new high schools and a K-9 replacement school, a significant step in addressing the growing needs of our Division. With enrolment exceeding 50,000 students and many high schools at or over capacity, these investments will help alleviate space shortages and enhance learning environments for our students. Pending approval in Budget 2025, these projects will add approximately 4,500 new and updated

student spaces.

#### • **New Catholic High School – Lewis Farms/Rosenthal (10-12)**

This school will provide space for 1,800 students, helping to relieve overcrowding in West Edmonton high schools.

#### • **New Catholic High School -The Meadows/Silver Berry (10-12)**

A much-needed high school to accommodate rapid population growth in Southeast Edmonton.

• **K-9 Replacement School – Oxford/Palispades** This new school will serve the community of Oxford and introduce the first Catholic junior high northwest of 132 Avenue. These projects represent an important step forward in ensuring our students have access to modern, faith-based learning spaces that support their academic and spiritual development. In March, the Board of Trustees was delighted to host a Community of School Councils (COSC) evening. This in-person event was a valuable opportunity for families to connect with Trustees, the Chief Superintendent, and Division

Trustee Laura Thibert, Trustee Alene Mutala, Board Chair Sandra Palazzo, Vice-chair Lisa Turchansky, Trustee Debbie Engel, Trustee Terry Harris

leaders, providing opportunities to engage in sessions on various aspects of student learning and encouraging meaningful dialogue between home and school. The COSC evening fostered a sense of community and collaboration, reinforcing our shared commitment to supporting the success and well-being of every student.

As we continue through the school year, the Board of Trustees remains dedicated to advocating for quality Catholic education and supporting the needs of our students, staff, and families. Should you have any questions, please contact us at [boardoffice@ecsd.net](mailto:boardoffice@ecsd.net).

## Holyrood Community Garden: Dig in and join the fun

Spring has sprung, and the growing season is upon us! Holyrood is planning to build a community garden and we need your help. Here are some ways for community league members to get involved in our gardening program this season:

**Become a Committee Member** - The Holyrood Community Garden program relies on the support of volunteers. We welcome anyone who can contribute their time to garden planning, development and maintenance activities. Any level of experience and time commitment is appreciated. Email [garden@holyroodcommunity.org](mailto:garden@holyroodcommunity.org) to find out more about joining the committee.

**Rink Shack Garden Volunteers Needed** - We'd like to build a garden at the Holyrood Rink Shack and are seeking

volunteers of all ages and experience levels to assist with planting, weeding, watering, and harvesting. If you'd like to contribute, please email [garden@holyroodcommunity.org](mailto:garden@holyroodcommunity.org).

**Idylwyld Community Garden** - While we develop our garden, Idylwyld is offering Holyrood members the chance to join their communal garden - share the work, share the harvest. If interested, email [garden@idylwyld.org](mailto:garden@idylwyld.org) for more details.

**Seed and Seedling Swap** - Mark your calendars for May 4th! We're planning a Seed and Seedling Swap. It's the perfect chance to trade seeds and seedlings with other gardeners and pick up some new gardening tips. More details to come.

**Share your input in our survey by scanning the QR code.**

## We Are Seeking A New En Watch Coordinator

In 2019 we launched the EN Watch Holyrood Group. We had a volunteer who put in the time to get the process started, but we need to log a certain number of time spent on walking the neighbourhood, as a community, in order to continue with the program and get the street signs that indicate this is an EN Watch Community. It is very easy to do, you download an app and then just log whenever you go for a walk. This is great for all of our community dog owners who are taking frequent walks! Not only

that, but we have a Facebook group already created for this with lots of tips on how to keep your home and property safe.

We need someone to spearhead and coordinate, as well as being a contact with the EN Watch Program for this effort. We already have interested committee members waiting to join, we just need a chairperson to drive this effort home! If you are interested in being part of a Neighbourhood watch, please reach out to [chris@holyroodcommunity.org](mailto:chris@holyroodcommunity.org)

## Community Dialogue On Holyrood's New Supportive Housing Development

Holyrood Community & Housing Collaborators warmly invite all SE residents to a community discussion about the new supportive housing development in Holyrood.

As our community continues to grow and evolve, we recognize the importance of coming together to share our thoughts, ask questions and explore how we can foster an inclusive and welcoming neighbourhood for all. These dialogues offer a space for open and meaningful conversations in a supportive and respectful environment.

The conversations will be facilitated by **Community & Workplace Traumatologist, Line Perron**, who will help create a space where all voices are heard and valued.

This initiative is being organized by **Holyrood Community & Housing Collaborators**—a group of neighbours dedicated to nurturing a strong, connected, and welcoming community.

Community members are welcome to attend one of the following sessions:

**Thursday, April 24** | 7:00-9:00 p.m. | SEESA Cafeteria (9350 82 St N.W.)

**Tuesday, May 13** | 7:00-9:00 p.m. | Holyrood Community League (9411 Holyrood Rd)

**Saturday, June 21** | 2:00-4:00 p.m. | St. Luke's Anglican Church (8424 95 Ave N.W.)

### HELP NEEDED!

We're looking for some new faces to join us in the Community League. No experience is required, just a friendly outlook and a positive attitude. If you're not sure, come to one of our Board meetings (2nd Wednesday of the month), meet your fellow community members and see what it's all about.

-**The Social Chair** helps generate ideas for social events that will bring together members of our community. They coordinate planning events, work with our volunteers to put on the events, and attend

Idylwylde Community League

monthly Board meetings.

-**The Secretary** keeps us organized by taking minutes at our monthly board meetings and AGM, sends out meeting agendas and keeps our online documents organized.

-**The Vice President** presides at meetings and functions when the President can't make it, assists the President when needed, and is responsible for the annual review of the League's Bylaws.

If one of these sounds like the position for you, contact us at [league@idylwylde.org](mailto:league@idylwylde.org).

## Cheery Tomato Community Garden News

Our garden is off to a great start. This year we will be a collaboration of gardeners from several Leagues and Urban Farmers, with Vimy students coming to help accomplish a couple of our larger tasks. How wonderful!

We're holding a Compost sale and Seed-sharing Tea on May 3, 1 - 4 pm.

Funds will be used to help pay for new metal beds, replacing the old cedar ones starting to fall apart. There is also still time

to submit your survey answers regarding our community garden's direction. Please take a few moments to complete this and help us formulate community opinion regarding our growing space. [www.facebook.com/IdylwyldeCL](http://www.facebook.com/IdylwyldeCL)

Our next garden meeting will be on April 16 at 7 p.m. at the Hall. If you are new to Idylwylde and would like to garden with us please email [garden@idylwylde.org](mailto:garden@idylwylde.org). Happy growing everyone!
